

**Texas Commission on Environmental Quality  
Municipal Solid Waste Management and Resource  
Recovery Advisory Council**

**Advisory Council Application Form**

The Municipal Solid Waste Management and Resource Recovery Advisory Council (Council) was created by the 68th Legislature in 1983 and is comprised of 18 members who serve staggered six-year terms. The composition of the Council is prescribed in Section 363.041 of the Texas Health and Safety Code.

The Council performs several duties including:

- reviewing the effect of state policies and programs on MSW management;
- making recommendations to the TCEQ on matters relating to MSW management;
- recommending legislation to encourage the efficient management of MSW;
- recommending policies for the use or distribution of funds for the Regional Solid Waste Grants Program;
- recommending special studies and projects related to MSW management.

Nominees will be selected during the Commissioner's Agenda in Fall 2019.
