ATTACHMENT A:

TELEVISION MANUFACTURER RECOVERY PLAN

Title 30 in the Texas Administrative Code (TAC), Chapter 328, requires all television manufacturers participating individually or in a group (not a Recycling Leadership Program) to provide a recovery plan to the TCEQ. If applicable, complete this attachment and include it with your Registration Form (TCEQ-20637). This plan is due January 31 of each year. Notify the TCEQ of any changes or additions to this plan within 30 days of the modification.

Section 1. Manufacturer Information

Manufacturer Name:

Check here if information below is the same as the Registration form, and proceed to Section 2

Mailing Address: City: State: Zip Code:

Contact Person: Contact Person's Title:

Phone Number: Fax Number: Email:

Section 2. Statement of Compliant Program

Complete the following statement.

_____ has or will have a collection program compliant with Title 30 of the Texas Administrative Code, Chapter 328, Subchapter J by _____ (date).

Section 3. Method of Television Collection

Is the manufacturer collecting and recycling its market share of televisions as part of a group or individually? Group Individual

If Group is checked, please include a list of other manufacturers included in this group. Note that a group of individual manufacturers is NOT considered a Recycling Leadership Program and is still subject to the registration fee and market share collection requirement.

Section 4. Television Collections

Check here if the information required below is provided on the Registration form and proceed to Section 5.

Indicate amounts for the preceding calendar year.

Total weight of covered television equipment collected from Texas:

lbs kg tons

Total weight of covered television equipment from Texas that was recycled:

lbs kg tons

Total weight of covered television equipment from Texas that was reused:

lbs kg tons

TCEQ will handle the receipt of confidential information in accordance with [30 TAC § 1.5\(d\)](#)

Section 5. Collection Methods

Consumers may use the following methods to return television equipment for recycling without paying a separate fee at the time of recycling.

List information for consumers on how and where to return TV equipment with your brand through a contracted recycler. At minimum, this must include an Internet link containing the required information.

**Include this completed form
with Annual Registration form TCEQ-20637
and mail to:
Texas Commission on Environmental Quality
Television Manufacturer Registration (MC-138)
PO Box 13087
Austin, TX 78711-3087**
