

## **Biography:**

**Dan Siebeneicher**  
**Storm Water & Pretreatment Team**  
**Water Quality Division**  
**Texas Commission on Environmental Quality**

### ***Current Position***

As a Stormwater Environmental Permit Specialist Dan's primary function includes writing stormwater permits for industries and municipalities and providing technical assistance to stormwater permittees.

### ***Prior Experience and Education***

Dan graduated from Texas A&M University with a Bachelors of Science in Recreation and Park Management and a Masters of Urban Planning. After college, Dan worked for Val Verde County as the Director of Amistad Zoning and Planning Department Val Verde County. Dan left Val Verde County to work for the Texas Engineering Extension Service where he developed training programs for USEPA, trained water and wastewater operators in Texas and 11 other states, developed presentations and wrote training manuals. Dan left the Texas Engineering Extension Service to work at the Texas Rural Water Association where he provided technical assistance to over 135 water and wastewater facilities throughout Texas. Dan has vast experience working with federal, state, local governments and regulatory stakeholders.
