

Biography: Jill Csekitz
Water Quality Planning Division
Texas Commission on Environmental Quality

Current Position

Jill Csekitz is the Work Leader for the Water Quality Standards Group, which defines the uses and appropriate instream criteria for determining the quality of the state's streams, rivers, lakes, reservoirs, and estuaries.

Prior Experience and Education

Jill has worked as an Aquatic Scientist with TCEQ for 13 years, and has experience in monitoring, assessment, and water quality standards development. Prior to joining TCEQ, Jill worked for the US Army Corps of Engineers and Northern Ecological Associates in upstate New York. Jill received a Bachelor of Arts in Environmental Science from Mansfield University of Pennsylvania in 1995, and a Master of Science in Environmental Science from the University of North Texas in 1999.
