

## **Biography: Lindsay Garza**

Stormwater and Pretreatment Team  
Water Quality Division  
Texas Commission on Environmental Quality

### ***Current Position***

Lindsay Garza is the Stormwater Program Work Leader for the Water Quality Division. Lindsay has been working with TCEQ's Stormwater and Pretreatment Team since November 2011.

### ***Education and Prior Experience***

Lindsay earned a Bachelor of Science in Environmental Science and Policy, with a concentration in Biology, from St. Edward's University in Austin, Texas. She is currently pursuing her Master of Applied Geography in Resources and Environmental Studies from Texas State University in San Marcos, Texas. As an Environmental Permit Specialist III and Work Leader, her duties include drafting individual stormwater discharge permits under the Texas Pollutant Discharge Elimination System (TPDES), speaking at national and state conferences, providing technical advice to, and interacting with federal, state and local governments, the general public, and other programs within the agency.
