

Dan Siebeneicher
Stormwater Team
Water Quality Division
Texas Commission on Environmental Quality

Current Position

Dan Siebeneicher is a Stormwater Environmental Permit Specialist on the Stormwater Team since July 2011. His primary function includes writing stormwater permits for industries and municipalities and providing technical assistance to stormwater permittees.

During his 10 years at TCEQ Dan managed the Household Hazardous Waste Program, the Agricultural Waste Pesticide Collection Program, the Newsprint Recycling Program and the Mercury Switch Collection Program in the Pollution Prevention Section of the Small Business and Environmental Assistance Division.

Prior Experience and Education

Dan graduated from Texas A&M University with a Bachelor of Science degree in Recreation and Park Management and a Master of Science degree in Urban Planning. After college, Dan worked for Val Verde County as the Director of Amistad Zoning and Planning Department Val Verde County. Dan left Val Verde County to work for the Texas Engineering Extension Service where he developed training programs for US EPA, trained water and wastewater operators in Texas and 11 other states, developed presentations and wrote training manuals. Dan left the Texas Engineering Extension Service to work at the Texas Rural Water Association where he provided technical assistance to over 135 water and wastewater facilities throughout Texas. Dan has vast experience working with federal, state, local governments and regulatory stakeholders.
