

Julian D. Centeno, Jr.
Municipal Permits Team
Wastewater Permitting Section
Water Quality Division
Texas Commission on Environmental Quality

Current Position

Permit Coordinator, Municipal Permits Team, Wastewater Permitting Section, Water Quality Division.

Prior Experience and Education

Julian D. Centeno, Jr. holds a bachelor's degree in chemical engineering and a master of engineering degree in environmental engineering. He worked with an environmental engineering consulting firm, specializing in industrial wastewater treatment and disposal, in Chicago, Illinois, prior to joining the TCEQ. He is a registered professional engineer in the State of Texas.

His main responsibilities include technical evaluation of treated municipal wastewater discharge and land application of effluent permit applications and preparation of draft permits. He has participated in public meetings, contested case hearings, and alternative dispute resolution meetings.
