

Macayla Coleman
Stormwater Team
Water Quality Division
Texas Commission on Environmental Quality

Current Position

Macayla is an Environmental Permit Specialist for the Stormwater Team in the Wastewater Permitting Section. The Stormwater team drafts Texas Pollutant Discharge Elimination System permits and authorizations, which regulate industrial, construction, and municipal separate storm system discharges to Texas waters.

Prior Experience and Education

Macayla received a Bachelor of Science degree in Biology from the University of Arkansas as well as a Master of Science in Environmental Science and a Master of Public Affairs degrees from Indiana University.
