

# Texas Commission on Environmental Quality

## Notice of Concentrated Animal Feeding Operation Application General Permit Authorization No. TXG920395

**Application.** Spur Holdings LTD, 3493 Farm-to-Market Road 539, Floresville, Texas 78114 has applied to the Texas Commission on Environmental Quality (TCEQ) under General Permit No. TXG920000 for a non-substantial change to the terms of the nutrient management plan (NMP) previously submitted to the TCEQ. The Applicant has reconfigured the land management units (LMUs) to reflect LMU buffers and boundaries. The total land application area has decreased from 1,281 to 1,153 acres. The design calculations for retention control structure (RCS) #3 have been revised to reflect the as-built construction of the RCS; and the facility maps have been updated. The notice of change application and the updated NMP were received by TCEQ on December 21, 2018.

No discharge of pollutants into the waters in the state is authorized by this general permit except under chronic or catastrophic rainfall conditions or events. All waste and wastewater will be beneficially used on agricultural land.

The facility is located at 3493 Farm-to-Market Road 539, Floresville, Wilson County, Texas. The facility is located in the drainage area of the Lower San Antonio River in Segment No. 1901 of the San Antonio River River Basin. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice.
