Subject: Water Quality Advisory Work Group
Importance: High

To All,

TCEQ experienced technical difficulties today with the afternoon webcast for the WQAWG. We apologize for any inconvenience. TCEQ did change from Texas Admin Monitor to a TCEQ site: <https://www.tceq.texas.gov/agency/decisions/agendas/webcasts.html>

However we are not sure if the problem was due to inclement weather or the you tube sight. I have attached a document with the following details for your convenience.

Old Site – Texas Admin Monitor

1. <http://www.adminmonitor.com/tx/tceq/>
2. Refers you to:
Update: Find live and archived webcasts of the commissioners' agenda meetings on the TCEQ YouTube Channel beginning September 2018
<https://www.tceq.texas.gov/agency/decisions/agendas/webcasts.html>

New Site – TCEQ

1. Stream Live – Not sure why this link did not work
<https://www.tceq.texas.gov/agency/decisions/agendas/webcasts.html>
Some speculated on the inclement weather and/or You Tube was having difficulties during the webcast time.
2. To watch after the fact
 - a. Click on the <https://youtube.com/tceqnews> or the [TCEQ YouTube Channel link](#)
