Indicate on the form the WW pond or discharge has not been constructed, expected date if known, Please provide at least one primary contact information below .

- A. WQ Permit Number: WQ00 03576-000 Industrial permit numbers have a five-digit number with an extension of -000 (always end with three zero's). Industrial permit number range from 00001-000 thru 99999-000.
- B. Permittee's Name: HOWDY, L.L.C.
- C. Alternate Name: AGGIE ACRES
- D. Phone Number: 979-254-8963
- E. After Hours Emergency Hotline Phone Number(s): 259-689-7245
- F. United States Postal Service Physical Address (No P.O. Box): 7979 Research Blvd
- a. **Item F** List the physical address of the WW location. **No P.O. Box #** and please do not list the mailing address of the outside operating company, primary or secondary contact in this section.
  - b. In some cases there is not a physical address and it may be in a rural setting. Please list "No Physical Address" on **Item F** and then be sure to give a detailed location description in **Item H**. Perhaps list an address that is near the WW and then describe directions from the referenced address to the plant as best as you can.
- G. City, State, and Zip Code: Snook, Texas 79864
- H. Location Description: (The description must include the direction and distance in feet or miles from road intersections. i.e. *The facility is located on the North side of FM 123, 2.3 miles west of the intersection of FM 123 and Hwy 1*). Facility is located south side of HWY 60E and 0.50 mile from the Intersection of HWY 60E and FM 150. Turn left on Research Blvd, gate entrance is 150 feet ahead. Check in with Security Guard.
- a. **Item H** this description is used to help first responders locate your WW in the case of emergency. The most detailed instructions are preferred. Please do not list the physical address twice unless it is in addition to the detailed description indicated below.  
*Located immediately south of FM 1587, approximately 5.9 miles Southeast of the intersection of State Highway 277 and FM Road 222, (Insert Physical address), (Insert City), TX.*  
*Located on the south side of CR 530 approx. 0.16 mi east of East Brown Tract Rd, (Insert Physical address), (Insert City), TX.*
  - b. example of no physical address or exceptions
    - i. *The facility is located approximately 0.5 mi. west of the intersection of FM 732 and Jones Rd. on the south side of Jones Rd., (Insert City), TX, (Insert Zip Code).*  
*(Near 22509 FAIRWAY CT) The facility is located North of Interstate Highway 2, 1.7 miles north/west of the intersection of Interstate Highway 2 and Western road. Take Western road 1 mile north, then follow Long Dr. until it dead ends, turn right onto Broken Tee, take a left on Broken Tee until you reach Fairway Court, on Fairway Court take a right, at the end of the road there is a private drive that takes you to the plant entrance.*

In this example the address is listed as on the 7000 area of W Interstate Highway 2, Mission, TX. But the address does not reflect destination because the route winds through a large

- I. County: Burleson Region: 12
- J. WWTF Latitude and Longitude at the **Front Gate**, decimal degrees format to six decimal places.  
(i.e. 24.698524; -96.435620): Lat 25.896457; Long -96.235971
- a. **Item J WW Latitude and Longitude at the Front Gate, please submit decimal degrees format to six decimal places.** (i.e. 24.698524; -96.435620)

Sections 2 - 4 Primary, Secondary, & Outside Source Contact Information

**Very important to include cell phone numbers whenever possible.** Typically, under extreme emergency conditions landlines are down due to flooding, etc.

*If the contact person is a mayor, judge, law enforcement or county official it is understandable not to include their personal cell phone number. This is left to the sole discretion of the official. If there is no cell phone contact please make sure there is a WW contact phone number and a hotline number listed under **Section 1, Item E**.*
