

Good Morning,

Meeting Announcement:

Wednesday, December 14, 2016, 2:30 PM, TCEQ, Building F, Room 2210

Fourth stakeholder meeting to discuss implementation for Phase II (existing facilities) of the Final Rule for Cooling Water Intake Structure Impingement & Entrainment

The purpose of this meeting is to continue discussions and obtain feedback from stakeholders regarding draft Industrial Wastewater Application Worksheets for Cooling Water Intake Structures and draft TCEQ web page language on implementation of Phase II, existing facilities, of the Final Rule for Cooling Water Intake Structures (CWIS) which was effective October 2014.

Agenda items include, but are not limited to:

- Point(s) of compliance
- Draft application worksheets and requirements
- Compliance Schedules

For additional information regarding implementation of the Final Rule, please visit the TCEQ webpage for [Cooling Water Intake Structures](https://www.tceq.texas.gov/permitting/wastewater/industrial/WQ_industrial_permits.html) at the following website:

https://www.tceq.texas.gov/permitting/wastewater/industrial/WQ_industrial_permits.html

If you would like to be added to the 316(b) mailing list, conference call attendee list, or suggest specific questions or topics for the Agenda, please contact Shannon Gibson at Shannon.Gibson@tceq.texas.gov.

Conference Call Participants Dialing Instructions

1. Dial the Access Number: 1 877-820-7831 (International: 1-720-279-0026)
2. Enter Participants Passcode: 207085#

Additional information on the meeting will be available prior to the meeting date.

Thank you for your continued interest and participation.
