

Good Morning,

Meeting Announcement:

Thursday, November 3, 2016, 1:30 PM, TCEQ, Building F, Room 2210

Third stakeholder meeting to discuss implementation for Phase II (existing facilities) of the Final Rule for Cooling Water Intake Structure Impingement & Entrainment

The purpose of this meeting is to continue discussions and obtain feedback from stakeholders regarding draft TCEQ web page language on implementation of Phase II, existing facilities, of the Final Rule for Cooling Water Intake Structures (CWIS) which was effective October 2014.

Agenda items include, but are not limited to:

- Applicability
- Point(s) of compliance
- Application requirements
- Pre-approved technologies for impingement
- Compliance Schedules

For additional information regarding implementation of the Final Rule, please visit the TCEQ webpage for [Cooling Water Intake Structures](#) at the following website:

https://www.tceq.texas.gov/permitting/wastewater/industrial/WQ_industrial_permits.html

If you would like to be added to the 316(b) mailing list, request information on connecting to this meeting via conference call, or suggest specific questions or topics for the Agenda, please contact Shannon Gibson at Shannon.Gibson@tceq.texas.gov.

Additional information on the meeting will be available prior to the meeting date.

Thank you for your continued interest and participation.
