

Point(s) of Compliance

1. Off-Channel, Hydrologically disconnected, Non-WOTUS

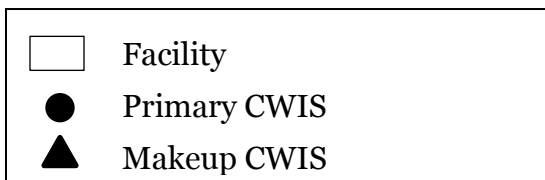

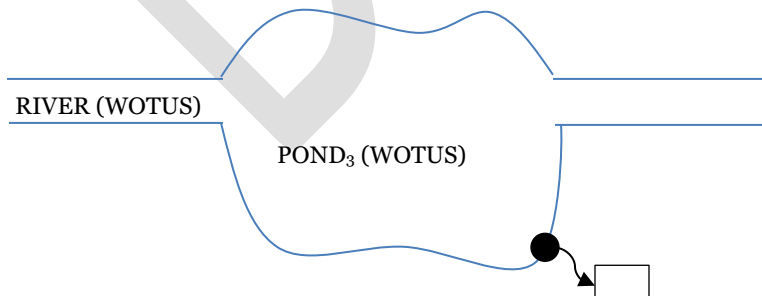

- ▲ POC – Withdrawn from WOTUS, must meet BTA for impingement and entrainment
- Not a POC – Withdrawn from non-WOTUS

2. Off-Channel, Hydrologically connected, Non-WOTUS or WOTUS?

1. WOTUS:
 - ▲ POC – May qualify for meeting BTA for impingement and entrainment if intakes flows are minimized
 - POC - Withdrawn from WOTUS, must meet BTA for impingement and entrainment
2. Non-WOTUS:
 - ▲ POC – Withdrawn from WOTUS, must meet BTA for impingement and entrainment
 - Not a POC – Withdraws from non-WOTUS

3. On-Channel, Hydrologically connected, WOTUS

- POC- Withdrawn from WOTUS, must meet BTA for impingement and entrainment
