

Good Morning/Afternoon,

Meeting Announcement:

Thursday, September 10, 1:30 PM, TCEQ, Building F, Room 2210

Discuss implementation for Phase II (existing facilities) of the Federal Cooling Water Intake Structure Impingement & Entrainment Rule

The purpose of this meeting is to discuss and obtain feedback from stakeholders regarding implementation of the federal Clean Water Act Section 316(b) Cooling Water Intake Impingement and Entrainment (CWIE) rule for Phase II (existing) facilities which was effective October 2014.

Items to be discussed may include, but are not limited to:

- Applicability
- Compliance with impingement
- Compliance with entrainment
- Application requirements
- Monitoring requirements

For additional information regarding implementation of this federal rule, please refer to the website below:

<http://www.tceq.texas.gov/permitting/wastewater/industrial/>

Please contact Lynda Clayton at Lynda.Clayton@tceq.texas.gov to be added to the 316(b) mailing list, for information on connecting to the meeting via conference call, or to ask questions or provide comments.
