

Good Morning/Afternoon,

Meeting Announcement:

Wednesday, December 17, 2014, 9:30, TCEQ, Building F, Room 2210

Second Meeting to discuss thermal discharges in TPDES permits

TCEQ is continuing to work with stakeholders to develop procedures for screening and permitting thermal discharges in Texas Pollutant Discharge Elimination System permits. This meeting is a follow up to the August 2014 meeting and will focus on defining screening procedures.

The meeting Agenda and additional meeting information will be available via the website below at least one month prior to the meeting date. Additionally, you may now find the meeting summary and attendee list from the August 2014 meeting on the website as well. Also, as requested, the TCEQ April 2014 letter to EPA and the May 2014 EPA response letter are also available on the website.
