Subject: Meeting Announcement - Development of Temperature Screening Procedures

Dear Permittees and Stakeholders,

The Texas Commission on Environmental Quality (TCEQ) will host a public stakeholder meeting to continue discussions on the development of temperature screening procedures for use in Texas Pollutant Discharge Elimination System (TPDES) permits. Since the previous stakeholder meeting on July 27, 2017, the TCEQ has worked on further developing the draft screening procedures in response to comments. The purpose of the upcoming meeting is to discuss the latest version of the draft procedures. The revised procedures will be provided to stakeholders on the TCEQ implementation procedures webpage prior to the stakeholder meeting. A separate announcement will be sent out when the draft temperature screening procedures are available for review.

All interested parties are invited to attend an open public stakeholder meeting scheduled for:

Date: Monday, October 16, 2017

Time: 1:30 PM

Location: TCEQ Campus
12100 Park 35 Circle
Building E, Room 201S
Austin, Texas 78753

The meeting will also be available via webcast by clicking on “**Advisory, Stakeholder Group and Special Meetings**” at: <http://www.texasadmin.com/tx/tceq/>. Individuals may submit questions or comments during the meeting via email at: Outreach@tceq.texas.gov

Please feel free to call me at (512) 239-0951 if you have questions or suggestions for a productive meeting. If you need special accommodations at the meeting, please contact Nancy Vignali at (512) 239-1303 or via email at Nancy.Vignali@tceq.texas.gov.
