ATTACHMENT NO. 1

As required by the proposed Water Management Plan that will be a part of and incorporated into the Brazos River Authority's (BRA) proposed Water Use Permit No. 5851 ("System Operation Permit"), BRA requests that the Texas Commission on Environmental Quality (TCEQ) process this conforming amendment upon the issuance of the System Operation Permit, which is currently pending before the TCEQ.

BRA requests that the TCEQ amend Special Condition 5.H. to add the following language:

"To assure that system operations will not impair the ability of each system reservoir to supply water for local needs, the system reservoirs shall be operated according to the provisions of the Owner's Water Management Plan that is part of and incorporated into the Owner's Water Use Permit No. 5851."
