ABANDONMENT OF WATER RIGHT

Notice: This form will not be processed until all delinquent fees and/or penalties owed to the TCEQ or the Office of the Attorney General on behalf of the TCEQ are paid in accordance with the Delinquent Fee and Penalty Protocol.

Please note that this action to voluntarily abandon, and the subsequent cancellation of, your water right may not be reversed and obtaining a water right in the future will require a new application for water. New applications require application/notice fees and may or may not be granted, subject to water availability. Additionally, water rights in the State of Texas may add value to the property they are associated with and/or may have a monetary value of their own. Please consider all of this in determining whether you wish to proceed with abandoning your water right.
