

## Agenda

Nutrient Criteria Development Advisory Workgroup, November 7, 2012  
Texas Commission on Environmental Quality (TCEQ)  
Texas Surface Water Quality Standards (WQS)

---

**Location:** Building F, Second Floor, Room 2210

**Time:** 9:00 am – 4:30 pm

- 9:00-9:15am **Welcome and Workgroup Introductions**– Jill Csekitz, TCEQ
- 9:15-9:45am **Status Update on EPA Approval of 2010 WQS and Summary of Revisions to TCEQ Nutrient Criteria Development Plan**-Jill Csekitz, TCEQ
- 9:45-10:30am **Characterization of Lake Somerville** – Dr. Larry Hauck, Texas Institute of Applied Environmental Research (TIAER)
- 10:30-11:00am **Data Collection Methods for Nutrients in Texas Streams** – Jimmy Millican, TIAER
- 11:00-11:30am **Development of Land Use/Land Cover Data for Nutrient Criteria Development** – Jason Godeaux, TCEQ
- 11:30-1:00pm **Lunch**
- 1:00-1:30pm **Getting Started with Nutrient Criteria** – Dr. Brian Haggard and Dr. Thad Scott, Arkansas Water Resources Center (AWRC)/University of Arkansas System Division of Agriculture (UA)
- 1:30-2:00pm **Evaluating Stressor Response Relationships** – Dr. Brian Haggard and Dr. Thad Scott, AWRC/UA
- 2:00-2:30pm **Regional Red River Project Update** – Dr. Brian Haggard and Dr. Thad Scott, AWRC/UA
- 2:30-2:45pm **Break**
- 2:45-3:15pm **Nutrient Dynamics in the Mission Aransas National Estuarine Research Reserve** – Rae Mooney, University of Texas Marine Science Institute
- 3:15-3:45pm **Towards Developing Nutrient Criteria for Galveston Bay: Current Status, Future Concerns** - Dr. Antonietta Quigg, Texas A&M Galveston
- 3:45-4:30pm **Facilitated group discussion on technical considerations and overall stakeholder process of TCEQ's approach to criteria development** – Chip Morris, TCEQ
- 4:30pm **Adjourn**
