Overall Use Support

Nutrient Enrichment Concern

| 2002            | Overall Nutrient Enrichment Concerns | Not Assessed          | Entire water body | 29            |              |                 |      |

Algal Growth Concern

| 2002            | Chlorophyll a                      | Not Assessed          | Entire water body | 29            |              |                 |      |

Sediment Contaminants Concern

| 2002            | Metals in sediment                 | Not Assessed          | Entire water body | 29            | 1             |                 |      |
| 2002            | Organics in sediment               | Not Assessed          | Entire water body | 29            | 1             |                 |      |
| 2002            | Overall Sediment Contaminant Concerns | Not Assessed        | Entire water body | 29            |              |                 |      |

Fish Tissue Contaminants Concern

| 2002            | Overall Fish Tissue Contaminant Concerns | Not Assessed        | Entire water body | 29            |              |                 |      |

Narrative Criteria Concern

| 2002            | Overall Narrative Criteria Concerns | No Concern           | Entire water body | 29            |              |                 |      |

Overall Secondary Concern

| 2002            | No Concern                          | Entire water body    | 29            |              |              |                 |      |
