

# CONTINUOUS WATER QUALITY MONITORING PROJECT PROPOSAL

## I. PROJECT DESCRIPTION

**A. Project Name:**

**B. Project/Site Location(s):**

**C. River or Coastal Basin:**

**D. Primary TCEQ Region**

**E. Project Purpose:**

**F. What Data are Needed:**

**G. Why are the Data Needed:**

**H. How Will the Data be Used:**

**I. What is the Tolerance for Decision Errors:**

**J. Project Data Objectives:**

**K. Installation Type:**

**L. Parameters to Measure:**

**M. Instrument of Choice:**

**N. Available/In-Kind Resources:**

**II. TECHNICAL FEASIBILITY**

**A. Technology Availability:**

--

**B. How completely does the technology support the data need:**

--

**C. Who will operate the site:**

--

**D. Who will validate the data for the site:**

--

**E. Are there constraints at the site location(s):**

--

**III. PROJECT OBJECTIVES**

**A. Who are the internal and external parties interested in the project:**

--

**B. How will TCEQ benefit from the project:**

--

**C. How will external parties benefit from the project:**

**D. How soon are data needed from the project:**

**IV. Submitter Information**

**A. Name:**

**B. Organization:**

**C. Mailing Address:**

**D. Email address:**

**E. Phones**

**Business:**

**Cell:**

**Other:**
