

AGENDA
Gilleland Creek Implementation Plan Revision
Steering Committee Meeting

Monday, January 23, 9:30 a.m.-11:30 a.m.

Travis County TNR East Service Center, Community Hall
6011 Blue Bluff Rd., Austin Texas 78724*

Meeting goals:

- *Participants build a knowledge base to allow them to move forward with decisions on modifying the Gilleland Creek Implementation Plan*
- *Participants develop procedures and provide input to goal statement to guide their work*

- 1) Welcome, introductions, agenda review and updates
- 2) Agree on protocols to guide the group's meetings and decisions
- 3) Available bacterial data for Gilleland Creek
- 4) Gilleland Creek I-Plan: review management measures and control action; discussion of what to retain
- 5) Improving Austin Streams: an overview of management measures; discussion of what might work for entities in Gilleland Creek
- 6) Input on a goal statement to guide Steering Committee effort
- 7) Wrap-Up and Review of Next Steps
- 8) Adjourn

The next meeting of the Gilleland Creek Implementation Plan Revision Steering Committee will be February 23 at 9:30 a.m.

** The entrance is off Blue Bluff Rd between FM 969 and Decker Lake Rd. There is a long, perhaps 1/2 mile or more entrance driveway to the community hall near the south end of the property past several maintenance buildings. Travelers can access the site from three nearby arterial roads: SH130 Tollway, FM 969, and FM 973.*
