#### IN THE MATTER OF AN ENFORCEMENT ACTION CONCERNING AGOG BUSINESS, INC. DBA MERITO FOOD MART; RN101489581

**BEFORE THE** 

TEXAS COMMISSION ON

ENVIRONMENTAL QUALITY

# AGREED ORDER

# DOCKET NO. 2019-1211-PST-E

# I. JURISDICTION AND STIPULATIONS

On \_\_\_\_\_\_\_, the Texas Commission on Environmental Quality ("Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding AGOG Business, Inc. dba Merito Food Mart ("Respondent") under the authority of Tex. WATER CODE chs. 7 and 26. The Executive Director of the TCEQ, represented by the Litigation Division, and Respondent, represented by William W. Thompson, III of the law firm Grissom & Thompson, LLP, together stipulate that:

- 1. Respondent owns and operates, as defined in 30 TEX. ADMIN. CODE § 334.2(78) and (75), an underground storage tank ("UST") system and a convenience store with retail sales of gasoline located at 201 Ranch Road 620 North in Lakeway, Travis County, Texas (Facility ID No. 43328) (the "Facility"). The USTs at the Facility are not exempt or excluded from regulation under the Texas Water Code or the rules of the Commission, and contain or contained a regulated petroleum substance as defined in the rules of the TCEQ.
- 2. The Executive Director and Respondent agree that TCEQ has jurisdiction to enter this Order pursuant to TEX. WATER CODE §§ 7.002, 7.051, and 7.073, and that Respondent is subject to TCEQ's jurisdiction. The TCEQ has jurisdiction in this matter pursuant to TEX. WATER CODE § 5.013 because it alleges violations of TEX. WATER CODE ch. 26 and the rules of the TCEQ.
- 3. The occurrence of any violation is in dispute and the entry of this Order shall not constitute an admission by Respondent of any violation alleged in Section II ("Allegations"), nor of any statute or rule.
- 4. An administrative penalty in the amount of thirty-four thousand seventy-eight dollars (\$34,078.00) is assessed by the Commission in settlement of the violations alleged in Section II. Respondent paid thirty-four thousand seventy-eight dollars (\$34,078.00) of the penalty.
- 5. The Executive Director and Respondent agree on a settlement of the matters addressed in this Order, subject to final approval in accordance with 30 TEX. ADMIN. CODE § 70.10(a). Any notice and procedures which might otherwise be authorized or required in this action are waived in the interest of a more timely resolution of the matter.
- 6. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that Respondent has not complied with one or more of the terms or conditions contained in this Order.
- 7. This Order represents the complete and fully-integrated agreement of the parties. The provisions of this Order are deemed severable, and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Order unenforceable, the remaining provisions shall be valid and enforceable.

- 8. This Order shall terminate five years from its effective date or upon full compliance with all the terms and conditions set forth in this Order, whichever is later.
- 9. The Executive Director recognizes that Respondent implemented the following measures at the Facility:
  - a. Conducted tightness tests, with passing results, on the UST system as of July 13, 2021; and
  - b. Submitted a release determination report, dated September 20, 2021, to the TCEQ on October 18, 2021.

# II. ALLEGATIONS

- 1. Following an investigation conducted on April 3, 2019, TCEQ staff determined that Respondent:
  - a. Failed to report a suspected release to the TCEQ within 72 hours of discovery, in violation of 30 Tex. ADMN. CODE §§ 334.50(d)(9)(A)(v) and 334.72. Specifically, inconclusive Statistical Inventory Reconciliation ("SIR") analysis reports for March, April, May, and June 2018 and March 2019 for the three USTs indicate suspected releases that were not reported;
  - b. Failed to investigate a suspected release of a regulated substance within 30 days of discovery, in violation of 30 Tex. ADMIN. CODE § 334.74. Specifically, inconclusive SIR analysis reports for March, April, May, and June 2018 and March 2019 for the three USTs indicate suspected releases that were not timely investigated; and
  - c. Failed to ensure that all UST recordkeeping requirements are met, in violation of 30 TEX. ADMIN. CODE § 334.10(b)(2). Specifically, release detection and corrosion protection records were not made available for review by TCEQ personnel.

# **III. DENIALS**

Respondent generally denies each Allegation in Section II.

# **IV. ORDERING PROVISIONS**

NOW, THEREFORE, THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY ORDERS that:

- 1. Respondent is assessed an administrative penalty as set forth in Section I, Paragraph 4. The payment of this penalty and Respondent's compliance with all of the requirements set forth in this Order resolve only the Allegations in Section II. The Commission shall not be constrained in any manner from requiring corrective actions or penalties for violations which are not raised here.
- 2. Respondent shall undertake the following technical requirements:
  - a. Immediately after the effective date of this Order, begin maintaining and making available for inspection upon request by TCEQ personnel all UST records, including release detection and corrosion protection records, at the Facility, in accordance with 30 Tex. ADMIN. CODE § 334.10.
  - b. Within 30 days after the effective date of this Order, develop and implement procedures designed to ensure the timely reporting of suspected releases, including inconclusive SIR analysis reports, in accordance with 30 TEX. ADMIN. CODE §§ 334.50 and 334.72.
  - c. Within 45 days after the effective date of this Order, submit written certification to demonstrate compliance with Ordering Provisions Nos. 2.a. and 2.b. The certification shall be accompanied by detailed supporting documentation,

AGOG Business, Inc. dba Merito Food Mart Docket No. 2019-1211-PST-E Page 3

including photographs, receipts, and/or other records, shall be signed by Respondent, and shall include the following certification language:

"I certify under penalty of law that I have personally examined and am familiar with the information submitted and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

The written certification and supporting documentation necessary to demonstrate compliance with these Ordering Provisions shall be sent to:

- 3. All relief not expressly granted in this Order is denied.
- 4. The duties and provisions imposed by this Order shall apply to and be binding upon Respondent. Respondent is ordered to give notice of this Order to personnel who maintain day-to-day control over the Facility operations referenced in this Order.
- 5. The Executive Director may grant an extension of any deadline in this Order or in any plan, report, or other document submitted pursuant to this Order, upon a written and substantiated showing of good cause. All requests for extensions by Respondent shall be made in writing to the Executive Director. Extensions are not effective until Respondent receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director. Extension requests shall be sent to the Order Compliance Team at the address listed above.
- 6. If Respondent fails to comply with any of the Ordering Provisions in this Order within the prescribed schedules, and that failure is caused solely by an act of God, war, strike, riot, or other catastrophe, Respondent's failure to comply is not a violation of this Order. Respondent shall have the burden of establishing to the Executive Director's satisfaction that such an event has occurred. Respondent shall notify the Executive Director within seven days after Respondent becomes aware of a delaying event and shall take all reasonable measures to mitigate and minimize any delay.
- 7. This Order, issued by the Commission, shall not be admissible against Respondent in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Order, or (2) pursue violations of a statute within TCEQ's jurisdiction or of a rule adopted or an order or permit issued by the TCEQ under such a statute.
- 8. This Order may be executed in separate and multiple counterparts, which together shall constitute a single instrument. Any page of this Order may be copied, scanned, digitized, converted to electronic portable document format ("pdf"), or otherwise reproduced and may be transmitted by digital or electronic transmission, including but not limited to facsimile transmission and electronic mail. Any signature affixed to this Order shall

constitute an original signature for all purposes and may be used, filed, substituted, or issued for any purpose for which an original signature could be used. 9. The effective date of this Order is the date it is signed by the Commission. A copy of this fully executed Order shall be provided to each of the parties.
