IN THE MATTER OF AN ENFORCEMENT ACTION CONCERNING MONTGOMERY COUNTY MUNCIPAL UTILITY DISTRICT NO. 56 RN107636359 **BEFORE THE**

TEXAS COMMISSION ON

ENVIRONMENTAL QUALITY

AGREED ORDER DOCKET NO. 2020-1612-WQ-E

I. JURISDICTION AND STIPULATIONS

On ______, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding Montgomery County Municipal Utility District No. 56 (the "Respondent") under the authority of TEX. WATER CODE chs. 7 and 26. The Executive Director of the TCEQ, through the Enforcement Division, and the Respondent together stipulate that:

- 1. The Respondent owns and operates a municipal separate storm sewer system located at the area outside the Porter city limits within the Houston urbanized area in Montgomery County, Texas (the "Facility"). The Facility is near or adjacent to water in the state as defined in TEX. WATER CODE § 26.001(5).
- 2. The Executive Director and the Respondent agree that the TCEQ has jurisdiction to enter this Order pursuant to TEX. WATER CODE §§ 7.002, 7.051, and 7.073, and that the Respondent is subject to TCEQ's jurisdiction. The TCEQ has jurisdiction in this matter pursuant to TEX. WATER CODE § 5.013 because it alleges violations of TEX. WATER CODE ch. 26 and the rules of the TCEQ.
- 3. The occurrence of any violation is in dispute and the entry of this Order shall not constitute an admission by the Respondent of any violation alleged in Section II ("Allegations"), nor of any statute or rule.
- 4. An administrative penalty in the amount of \$16,250 is assessed by the Commission in settlement of the violations alleged in Section II ("Allegations"). The Respondent paid \$400 of the penalty and \$3,250 is deferred contingent upon the Respondent's timely and satisfactory compliance with all the terms of this Order and shall be waived only upon full compliance with all the terms and conditions of this Order.

The remaining amount of \$12,600 of the undeferred penalty shall be paid in 35 monthly payments of \$360 each. The first monthly payment shall be paid within 30 days after the effective date of this Order. The subsequent payments shall each be paid not later than 30 days following the due date of the previous payment until the penalty is paid in

full. If the Respondent fails to comply with the payment requirements of this Order, including the payment schedule, the Executive Director may accelerate the maturity of the remaining installments, in which event the unpaid balance shall become immediately due and payable without demand or notice. The Respondent's failure to meet the payment schedule of this Order and/or the acceleration of any remaining balance constitutes the failure by the Respondent to timely and satisfactorily comply with all the terms and conditions of this Order and the Executive Director may demand payment of all or part of the deferred penalty

- 5. The Executive Director and the Respondent agree on a settlement of the matters alleged in this enforcement action, subject to final approval in accordance with 30 TEX. ADMIN. CODE § 70.10(a). Any notice and procedures, which might otherwise be authorized or required in this action, are waived in the interest of a more timely resolution of the matter.
- 6. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that the Respondent has not complied with one or more of the terms or conditions in this Order.
- 7. This Order represents the complete and fully-integrated agreement of the parties. The provisions of this Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Order unenforceable, the remaining provisions shall be valid and enforceable.
- 8. This Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Order, whichever is later.

II. ALLEGATIONS

During a record review conducted from September 15, 2020 through October 30, 2020, an investigator documented that the Respondent:

- 1. Failed to submit concise annual reports to the Executive Director within 90 days of the end of each reporting year, in violation of 30 TEX. ADMIN. CODE § 305.125(1) and expired Texas Pollutant Discharge Elimination System ("TPDES") General Permit No. TXR040548, Part IV, Section B(2). Specifically, the Respondent did not submit annual reports for the years of 2014 through 2018.
- 2. Failed to implement the Stormwater Management Plan ("SWMP") and the Best Management Practices ("BMPs") consistent with the provisions of the General Permit and the SWMP, in violation of 30 TEX. ADMIN. CODE § 305.125(1) and expired TPDES General Permit No. TXR040548, Part III, Section A(1)(c) and Section B. Specifically, the Respondent did not fully implement the BMPs identified in the SWMP for Minimum Control Measures ("MCM") Nos. 1 through 5 for expired TPDES General Permit No. TXR040548.
- 3. Failed to maintain authorization to discharge stormwater under TPDES General Permit for municipal separate storm sewer systems, in violation of 30 TEX. ADMIN. CODE § 281.25(a)(4), TEX. WATER CODE § 26.121, and 40 CODE OF FEDERAL REGULATIONS

§ 122.26(a)(9)(i)(A). Specifically, TPDES General Permit No. TXR040548 expired on December 13, 2018, and the Respondent failed to submit a Notice of Intent ("NOI") and a revised SWMP by the permit application deadline of July 23, 2019.

III. DENIALS

The Respondent generally denies each allegation in Section II ("Allegations").

The payment of this penalty and the Respondent's compliance with all of the requirements set forth in this Order resolve only the allegations in Section II. The Commission shall not be constrained in any manner from requiring corrective action or penalties for violations which are not raised here. Penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: Montgomery County Municipal Utility District No. 56, Docket No. 2020-1612-WQ-E" to:

this Order. The Respondent shall have the burden of establishing to the Executive Director's satisfaction that such an event has occurred. The Respondent shall notify the Executive Director within seven days after the Respondent becomes aware of a delaying event and shall take all reasonable measures to mitigate and minimize any delay.
