TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

IN THE MATTER OF AN	§	BEFORE THE
ENFORCEMENT ACTION	§	
CONCERNING	§	TEXAC COMMISSION ON
GATOR'S FUEL STOP, LLC DBA	§	TEXAS COMMISSION ON
GATORS 2	§	
RN101447746	§	ENVIRONMENTAL OUALITY

AGREED ORDER DOCKET NO. 2021-0228-PST-E

I. JURISDICTION AND STIPULATIONS

On	, the Texas Commission on Environmental Quality ("the
Commission" or "TCEQ) considered this agreement of the parties, resolving an enforcement
action regarding Gator's	Fuel Stop, LLC dba Gators 2 (the "Respondent") under the authority of
TEX. WATER CODE chs. 7	and 26. The Executive Director of the TCEQ, through the Enforcement
Division, and the Respo	ndent together stipulate that:

- 1. The Respondent operates, as defined in 30 Tex. Admin. Code § 334.2(75), an underground storage tank ("UST") system and a convenience store with retail sales of gasoline located at 4655 West Cardinal Drive in Beaumont, Jefferson County, Texas (the "Facility"). The UST system at the Facility is not exempt or excluded from regulation under the Texas Water Code or the rules of the Commission, and contains or contained a regulated petroleum substance as defined in the rules of the TCEQ.
- 2. The Executive Director and the Respondent agree that the TCEQ has jurisdiction to enter this Order pursuant to Tex. Water Code §§ 7.002, 7.051, and 7.073, and that the Respondent is subject to TCEQ's jurisdiction. The TCEQ has jurisdiction in this matter pursuant to Tex. Water Code § 5.013 because it alleges violations of Tex. Water Code ch. 26 and the rules of the TCEQ.
- 3. The occurrence of any violation is in dispute and the entry of this Order shall not constitute an admission by the Respondent of any violation alleged in Section II ("Allegations"), nor of any statute or rule.
- 4. An administrative penalty in the amount of \$18,514 is assessed by the Commission in settlement of the violations alleged in Section II ("Allegations"). The Respondent paid \$427 of the penalty and \$3,702 is deferred contingent upon the Respondent's timely and satisfactory compliance with all the terms of this Order and shall be waived only upon full compliance with all the terms and conditions of this Order.

The remaining amount of \$14,385 of the undeferred penalty shall be paid in 35 monthly payments of \$411 each. The first monthly payment shall be paid within 30 days after the effective date of this Order. The subsequent payments shall each be paid not later than 30 days following the due date of the previous payment until the penalty is paid in full. If the Respondent fails to comply with the payment requirements of this Order, including the payment schedule, the Executive Director may accelerate the maturity of the remaining installments, in which event the unpaid balance shall become immediately

due and payable without demand or notice. The Respondent's failure to meet the payment schedule of this Order and/or the acceleration of any remaining balance constitutes the failure by the Respondent to timely and satisfactorily comply with all the terms and conditions of this Order and the Executive Director may demand payment of all or part of the deferred penalty amount.

- 5. The Executive Director and the Respondent agree on a settlement of the matters alleged in this enforcement action, subject to final approval in accordance with 30 TEX. ADMIN. CODE § 70.10(a). Any notice and procedures, which might otherwise be authorized or required in this action, are waived in the interest of a more timely resolution of the matter.
- 6. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that the Respondent has not complied with one or more of the terms or conditions in this Order.
- 7. This Order represents the complete and fully-integrated agreement of the parties. The provisions of this Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Order unenforceable, the remaining provisions shall be valid and enforceable.
- 8. This Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Order, whichever is later.
- 9. The Executive Director recognizes that the Respondent designated and retrained a Class A/B Operator on October 28, 2020 with a course approved by the TCEQ.

II. ALLEGATIONS

During an investigation conducted on October 20, 2020, an investigator documented that the Respondent:

- 1. Failed to report suspected releases to the TCEQ within 24 hours of discovery, in violation of 30 Tex. Admin. Code § 334.72. Specifically, failed inventory control records for Tank 3 from October 2019 to September 2020 indicated a suspected release that was not reported.
- 2. Failed to investigate and confirm all suspected releases of regulated substances requiring reporting under 30 Tex. Admin. Code §334.72 (relating to Reporting of Suspected Releases) within 30 days, in violation of 30 Tex. Admin. Code § 334.74. Specifically, failed inventory control records for Tank 3 from October 2019 to September 2020 indicated a suspected release that was not investigated.
- 3. Failed to retrain a Class A/B Operator by January 1, 2020 with a course submitted to and approved by the TCEQ after April 1, 2018, in violation of 30 TEX. ADMIN. CODE § 334.605(d). Specifically, the Class A/B Operator training completed on February 6, 2019 was not a TCEQ approved UST Operator course at the time of completion.
- 4. Failed to monitor USTs installed on or after January 1, 2009 in a manner which will detect a release at a frequency of at least once every 30 days by using interstitial monitoring, in violation of 30 Tex. Admin. Code § 334.50(b)(1)(B). Specifically, Tank 5 was installed on May 15, 2010, but the Respondent was not monitoring the tank for releases using interstitial monitoring.

III. DENIALS

The Respondent generally denies each allegation in Section II ("Allegations").

IV. ORDERING PROVISIONS

NOW, THEREFORE, THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY ORDERS that:

1. The Respondent is assessed a penalty as set forth in Section I, Paragraph No. 4. The payment of this penalty and the Respondent's compliance with all of the requirements set forth in this Order resolve only the allegations in Section II. The Commission shall not be constrained in any manner from requiring corrective action or penalties for violations which are not raised here. Penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: Gator's Fuel Stop, LLC dba Gators 2, Docket No. 2021-0228-PST-E" to:

Financial Administration Division, Revenue Operations Section Attention: Cashier's Office, MC 214 Texas Commission on Environmental Quality P.O. Box 13088 Austin, Texas 78711-3088

- 2. The Respondent shall undertake the following technical requirements:
 - a. Within 30 days after the effective date of this Order:
 - i. Develop and implement a process for reporting suspected releases timely, in accordance with 30 Tex. ADMIN. CODE § 334.72;
 - ii. Conduct an investigation of the suspected release and implement appropriate corrective measures, in accordance with 30 Tex. ADMIN. CODE § 334.74; and
 - iii. Implement interstitial monitoring release detection for Tank 5 at the Facility, in accordance with 30 TEX. ADMIN. CODE § 334.50.
 - b. Within 45 days after the effective date of this Order, submit written certification, and include detailed supporting documentation including photographs, receipts, and/or other records to demonstrate compliance with Ordering Provision Nos.
 2.a.i through 2.a.iii. The certification shall be signed by the Respondent and shall include the following certification language:

"I certify under penalty of law that I have personally examined and am familiar with the information submitted and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations."

- 3. All relief not expressly granted in this Order is denied.
- 4. The duties and provisions imposed by this Order shall apply to and be binding upon the Respondent. The Respondent is ordered to give notice of this Order to personnel who maintain day-to-day control over the Facility operations referenced in this Order.
- 5. If the Respondent fails to comply with any of the Ordering Provisions in this Order within the prescribed schedules, and that failure is caused solely by an act of God, war, strike, riot, or other catastrophe, the Respondent's failure to comply is not a violation of this Order. The Respondent shall have the burden of establishing to the Executive Director's satisfaction that such an event has occurred. The Respondent shall notify the Executive Director within seven days after the Respondent becomes aware of a delaying event and shall take all reasonable measures to mitigate and minimize any delay.
- 6. The Executive Director may grant an extension of any deadline in this Order or in any plan, report, or other document submitted pursuant to this Order, upon a written and substantiated showing of good cause. All requests for extensions by the Respondent shall be made in writing to the Executive Director. Extensions are not effective until the Respondent receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director. Extension requests shall be sent to the Order Compliance Team at the address listed above.
- 7. This Order, issued by the Commission, shall not be admissible against the Respondent in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
- 8. This Order may be executed in separate and multiple counterparts, which together shall constitute a single instrument.
