IN THE MATTER OF AN ENFORCEMENT ACTION CONCERNING CANDICE MORRIS; RN101848679 **BEFORE THE**

TEXAS COMMISSION ON

ENVIRONMENTAL QUALITY

DEFAULT ORDER

DOCKET NO. 2021-0387-PST-E

On ______, the Texas Commission on Environmental Quality ("Commission" or "TCEQ") considered the Executive Director's First Amended Report and Petition, filed pursuant to TEX. WATER CODE chs. 7 and 26 and the rules of the TCEQ, which requests appropriate relief, including the imposition of an administrative penalty and corrective action of the respondent. The respondent made the subject of this Order is Candice Morris ("Respondent").

The Commission makes the following Findings of Fact and Conclusions of Law:

FINDINGS OF FACT

- 1. Respondent owns, as defined in 30 TEX. ADMIN. CODE § 334.2(78), a temporarily out-of-service underground storage tank ("UST") system located at 3031 George Richey Road in Gladewater, Gregg County, Texas (Facility ID No. 44177)(the "Facility"). The UST system at the Facility is not exempt or excluded from regulation under the Texas Water Code or the rules of the Commission, and contains or contained a regulated petroleum substance as defined in the rules of the TCEQ.
- 2. During an investigation conducted on November 13, 2018, and a record review conducted on February 2, 2021, an investigator documented that Respondent:
 - a. Failed to permanently remove from service, no later than 60 days after the prescribed upgrade implementation date, a UST system for which any applicable component of the system is not brought into timely compliance with the upgrade requirements; and
 - b. Failed to provide an amended registration for any change or additional information to the agency regarding the UST system within 30 days from the date of the occurrence of the change or addition. Specifically, the registration was not updated to reflect the current ownership and contact information for the Facility. The last registration was filed on September 1, 1987, and reflects ownership by Respondent and another co-owner. The registration was not amended when Respondent took sole ownership of the UST system on January 30, 2004.
- 3. The Executive Director filed the "Executive Director's Preliminary Report and Petition Recommending that the Texas Commission on Environmental Quality Enter an Enforcement Order Against and Requiring Certain Actions of Candice Morris" (the "EDPRP") in the TCEQ Chief Clerk's office on August 4, 2021.
- 4. By letter dated August 4, 2021, sent to Respondent's last known address via certified mail, return receipt requested, postage prepaid, the Executive Director served Respondent with notice of the EDPRP. According to USPS.com "Track and Confirm" delivery confirmation records, Respondent received notice of the EDPRP on August 9, 2021.
- 5. The Executive Director filed the "Executive Director's First Amended Report and Petition Recommending that the Texas Commission on Environmental Quality Enter an Enforcement Order Assessing an Administrative Penalty Against and Requiring Certain Actions of Candice Morris" (the "EDFARP") in the TCEQ Chief Clerk's office on March 7, 2022.

- 6. By letter dated March 7, 2022, sent to Respondent's last known address via certified mail, return receipt requested, postage prepaid, the Executive Director served Respondent with notice of the EDFARP. According to the return receipt "green card," Respondent received notice of the EDFARP on March 11, 2022, as evidenced by the signature on the card.
- 7. More than 20 days have elapsed since Respondent received notice of the EDFARP. Respondent failed to file an answer and failed to request a hearing.

CONCLUSIONS OF LAW

- 1. As evidenced by Finding of Fact No. 1, Respondent is subject to the jurisdiction of the TCEQ pursuant to TEX. WATER CODE ch. 26 and the rules of the TCEQ.
- 2. As evidenced by Finding of Fact No. 2.a., Respondent failed to permanently remove from service, no later than 60 days after the prescribed upgrade implementation date, a UST system for which any applicable component of the system is not brought into timely compliance with the upgrade requirements, in violation of 30 Tex. ADMIN. CODE § 334.47(a)(2).
- 3. As evidenced by Finding of Fact No. 2.b., Respondent failed to provide an amended registration for any change or additional information to the agency regarding the UST system within 30 days from the date of the occurrence of the change or addition, in violation of 30 Tex. ADMIN. CODE § 334.7(d)(1)(A) and (d)(3).
- 4. As evidenced by Findings of Fact Nos. 5 and 6, the Executive Director timely served Respondent with proper notice of the EDFARP, as required by TEX. WATER CODE § 7.055 and 30 TEX. ADMIN. CODE § 70.104(b)(1).
- 5. As evidenced by Finding of Fact No. 7, Respondent failed to file a timely answer as required by Tex. WATER CODE § 7.056 and 30 Tex. ADMIN. CODE § 70.105. Pursuant to Tex. WATER CODE § 7.057 and 30 Tex. ADMIN. CODE § 70.106, the Commission may enter a Default Order against Respondent and assess the penalty recommended by the Executive Director.
- 6. Pursuant to TEX. WATER CODE § 7.051, the Commission has the authority to assess an administrative penalty against Respondent for violations of state statutes within TCEQ's jurisdiction, for violations of rules adopted under such statutes, or for violations of orders or permits issued under such statutes.
- 7. An administrative penalty in the amount of six thousand two hundred fifty dollars (\$6,250.00) is justified by the facts recited in this Order, and considered in light of the factors set forth in Tex. WATER CODE § 7.053.
- 8. TEX. WATER CODE §§ 5.102 and 7.002 authorize the Commission to issue orders and make determinations necessary to effectuate the purposes of the statutes within its jurisdiction.
