TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

IN THE MATTER OF AN ENFORCEMENT ACTION CONCERNING POLY-AMERICA, L.P. RN100641752 BEFORE THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

AGREED ORDER DOCKET NO. 2021-0625-AIR-E

On ______, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding Poly-America, L.P. (the "Respondent") under the authority of TEX. HEALTH & SAFETY CODE ch. 382 and TEX. WATER CODE ch. 7. The Executive Director of the TCEQ, through the Enforcement Division, and the Respondent presented this Order to the Commission.

The Respondent understands that it has certain procedural rights at certain points in the enforcement process, including the right to formal notice of violations, notice of an evidentiary hearing, the right to an evidentiary hearing, and a right to appeal. By entering into this Order, the Respondent agrees to waive all notice and procedural rights.

It is further understood and agreed that this Order represents the complete and fully-integrated agreement of the parties. The provisions of this Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Order unenforceable, the remaining provisions shall be valid and enforceable. The duties and responsibilities imposed by this Order are binding upon the Respondent.

The Commission makes the following Findings of Fact and Conclusions of Law:

I. FINDINGS OF FACT

- 1. The Respondent owns and operates a plastic manufacturing plant located at 2000 West Marshall Drive in Grand Prairie, Dallas County, Texas (the "Plant"). The Plant consists or consisted of one or more sources as defined in Tex. HEALTH & SAFETY CODE § 382.003(12).
- 2. During a record review for the Plant conducted on April 29, 2021, an investigator documented that:
 - a. The final record for Incident No. 341918 was due by September 2, 2020, but was not submitted until September 9, 2020.
 - b. The Respondent released 7,464.22 pounds ("lbs") of nitrogen oxides, 40,614.16 lbs of carbon monoxide, 0.10 lb of sulfur dioxide, 44,127.84 lbs of particulate matter, and 5.17 lbs of volatile organic compounds as fugitive emissions, during an emissions event (Incident No. 341918) that occurred on August 19, 2020 and lasted 18 hours. The emissions event occurred when scrap plastic that was stored on a concrete loading pad caught on fire, resulting in the release to the atmosphere. TCEQ staff determined that the Respondent did not comply with

> the emissions event reporting requirements and the unauthorized emissions caused or contributed to an exceedance of the national ambient air quality standards.

- 3. The Executive Director recognizes that the Respondent implemented the following corrective measures at the Plant:
 - a. On September 9, 2020, submitted the final record for Incident No. 341918; and
 - b. In order to prevent the recurrence of emissions events due to the same or similar causes as Incident No. 341918:
 - i. By August 25, 2020, hired a third-party security firm;
 - ii. By August 27, 2020, hired a fire protection consultant; and
 - iii. By September 25, 2020, installed 250 security cameras.

II. CONCLUSIONS OF LAW

- 1. As evidenced by Finding of Fact No. 1, the Respondent is subject to the jurisdiction of the TCEQ pursuant to TEX. HEALTH & SAFETY CODE ch. 382 and the rules of the TCEQ.
- 2. As evidenced by Finding of Fact No. 2.a, the Respondent failed to submit a final record for a reportable emissions event no later than two weeks after the end of the emissions event, in violation of 30 Tex. ADMIN. CODE § 101.201(c) and Tex. HEALTH & SAFETY CODE § 382.085(b).
- 3. As evidenced by Finding of Fact No. 2.b, the Respondent failed to prevent unauthorized emissions, in violation of TEX. HEALTH & SAFETY CODE § 382.085(a). Since the Respondent did not comply with the emissions event reporting requirements and the unauthorized emissions caused or contributed to an exceedance of the national ambient air quality standards, the Respondent is precluded from asserting an affirmative defense under 30 TEX. ADMIN. CODE § 101.222.
- 4. Pursuant to TEX. WATER CODE § 7.051, the TCEQ has the authority to assess an administrative penalty against the Respondent for violations of state statutes within the TCEQ's jurisdiction, for violations of rules adopted under such statutes, or for violations of orders or permits issued under such statutes.
- 5. An administrative penalty in the amount of \$9,750 is justified by the facts recited in this Order, and considered in light of the factors set forth in TEX. WATER CODE § 7.053. The Respondent paid \$4,875 of the penalty. Pursuant to TEX. WATER CODE § 7.067, \$4,875 of the penalty shall be conditionally offset by the Respondent's timely and satisfactory completion of three Supplemental Environmental Projects ("SEPs") as defined in the attached SEP Agreements ("Attachment A", Attachment B", and "Attachment C", incorporated herein by reference). The Respondent's obligation to pay the conditionally offset portion of the penalty shall be discharged upon full compliance with all the terms

and conditions of this Order, which includes the timely and satisfactory completion of all provisions of the SEP Agreements, as determined by the Executive Director.

III. ORDERING PROVISIONS

NOW, THEREFORE, THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY ORDERS that:

1. The Respondent is assessed a penalty as set forth in Conclusion of Law No. 5 for violations of state statutes and rules of the TCEQ. The payment of this penalty and the Respondent's compliance with all the requirements set forth in this Order resolve only the matters set forth by this Order in this action. The Commission shall not be constrained in any manner from requiring corrective actions or penalties for violations that are not raised here. Penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: Poly-America, L.P., Docket No. 2021-0625-AIR-E" to:

Financial Administration Division, Revenue Operations Section Attention: Cashier's Office, MC 214 Texas Commission on Environmental Quality P.O. Box 13088 Austin, Texas 78711-3088

- 2. The Respondent shall implement and complete three SEPs as set forth in Conclusion of Law No. 5. The amount of \$4,875 of the assessed penalty is conditionally offset based on the Respondent's implementation and completion of the SEPs pursuant to the terms of the SEP Agreements, as defined in Attachment A, Attachment B, and Attachment C. Penalty payments for any portion of the SEPs deemed by the Executive Director as not complete shall be paid within 30 days after the date of the Executive Director demands payment.
- 3. All relief not expressly granted in this Order is denied.
- 4. The duties and provisions imposed by this Order shall apply to and be binding upon the Respondent. The Respondent is ordered to give notice of this Order to personnel who maintain day-to-day control over the Plant operations referenced in this Order.
- 5. If the Respondent fails to comply with any of the Ordering Provisions in this Order within the prescribed schedules, and that failure is caused solely by an act of God, war, strike, riot, or other catastrophe, the Respondent's failure to comply is not a violation of this Order. The Respondent shall have the burden of establishing to the Executive Director's satisfaction that such an event has occurred. The Respondent shall notify the Executive Director within seven days after the Respondent becomes aware of a delaying event and shall take all reasonable measures to mitigate and minimize any delay.
- 6. The Executive Director may grant an extension of any deadline in this Order or in any plan, report, or other document submitted pursuant to this Order, upon a written and substantiated showing of good cause. All requests for extensions by the Respondent shall be made in writing to the Executive Director. Extensions are not effective until the Respondent receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.

- 7. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that the Respondent has not complied with one or more of the terms in this Order.
- 8. This Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Order, whichever is later.
- 9. This Order, issued by the Commission, shall not be admissible against the Respondent in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
- 10. This Order may be executed in separate and multiple counterparts, which together shall constitute a single instrument. Any page of this Order may be copied, scanned, digitized, converted to electronic portable document format ("pdf"), or otherwise reproduced and may be transmitted by digital or electronic transmission, including but not limited to facsimile transmission and electronic mail. Any signature affixed to this Order shall constitute an original signature for all purposes and may be used, filed, substituted, or issued for any purpose for which an original signature could be used. The term "signature" shall include manual signatures and true and accurate reproductions of manual signatures created, executed, endorsed, adopted, or authorized by the person or persons to whom the signatures are attributable. Signatures may be copied or reproduced digitally, electronically, by photocopying, engraving, imprinting, lithographing, electronic mail, facsimile transmission, stamping, or any other means or process which the Executive Director deems acceptable. In this paragraph exclusively, the terms: electronic transmission, owner, person, writing, and written, shall have the meanings assigned to them under TEX. BUS. ORG. CODE § 1.002.
- 11. The effective date of this Order is the date it is signed by the Commission. A copy of this fully executed Order shall be provided to each of the parties.

Attachment C

Docket Number: 2021-0625-AIR-E

SUPPLEMENTAL ENVIRONMENTAL PROJECT

| Respondent: | Poly-America, L.P. |
|----------------------------|---|
| Penalty Amount: | \$9,750 |
| SEP Offset Amount: | \$1,625 |
| Type of SEP: | Contribution to a Third-Party Administrator SEP |
| Third-Party Administrator: | Texas Natural Gas Foundation |
| Project Name: | High Emission Vehicle Replacement Project |
| Location of SEP: | TCEQ Air Quality Control Region 215 - Dallas-Fort Worth - Preference for Dallas County |

The Texas Commission on Environmental Quality ("TCEQ") agrees to offset a portion of the administrative penalty amount assessed in this Agreed Order for the Respondent to contribute to a Supplemental Environmental Project ("SEP"). The offset is equal to the SEP Offset Amount set forth above and is conditioned upon completion of the project in accordance with the terms of this Attachment C.

1. Project Description

a. Project

The Respondent shall contribute the SEP Offset Amount to the Third-Party Administrator named above, **Texas Natural Gas Foundation**, for the *High Emission Vehicle Replacement Project* (the "Project"). The contribution will be used in accordance with the Supplemental Environmental Project between the Third-Party Administrator and the TCEQ, which details the terms and conditions of the Project.

Specifically, the SEP Offset Amount will be used to reimburse an eligible public entity for the total purchase price or five-year lease price of a standard base model alternative-fueled vehicle that will replace an eligible older, diesel-fueled vehicle that the public entity has decommissioned and removed from its fleet. Public entities eligible to receive assistance include state agencies, counties, municipalities, school districts, or other political subdivisions created under the constitution or any statute of this state.

Old, diesel-fueled vehicles emit large amounts of nitrogen oxides ("NOX") and particulate matter ("PM"), as well as other harmful pollutants such as volatile organic compounds ("VOCs") and carbon monoxide ("CO"). These pollutants contribute to serious public health problems. This Project shall reduce NOX, PM, VOCs, and CO emissions by replacing high-emission, diesel-fueled vehicles with low-emission, alternative-fueled vehicles. The SEP will be done in accordance with all federal, state, and local environmental laws and regulations.

All dollars contributed will be used solely for the direct cost of implementing the Project, including, but not limited to supplies, materials, and equipment. Any portion of this contribution that is not spent on the specifically identified SEP may, at the discretion of the Executive Director ("ED"), be applied to another pre-approved SEP.

Poly-America, L.P. Agreed Order - Attachment C

The Respondent's signature affixed to this Agreed Order certifies that the Respondent has no prior commitment to make this contribution and that it is being contributed solely to settle this enforcement action. The Respondent shall not profit from this SEP.

b. Environmental Benefit

This Project will directly benefit air quality by reducing harmful exhaust emissions that contribute to the formation of ozone and may cause or exacerbate a number of respiratory diseases, including asthma. For example, replacing a model year 2002 heavy-duty diesel dump truck with a model year 2010 or newer dump truck powered by natural gas or propane may reduce passengers' exposure to NOx by 95% and PM by 99.9%. Moreover, replacing a model year 1989 diesel school bus with a model year 2010 or newer school bus powered by natural gas or propane may reduce passengers' exposure to NOx by 98%, VOCs by 83%; and PM by 99%.

c. Minimum Expenditure

The Respondent shall contribute at least the SEP Offset Amount to the Third-Party Administrator and comply with all other provisions of this SEP.

2. Performance Schedule

Within 30 days after the effective date of this Agreed Order, the Respondent must contribute the SEP Offset Amount to the Third-Party Administrator. The Respondent shall make the check payable to **Texas Natural Gas Foundation SEP** and shall mail the contribution with a copy of the Agreed Order to:

Texas Natural Gas Foundation Attention: Heather Ball, Executive Director 2315 Newfield Lane Austin, Texas 78703

3. Records and Reporting

Concurrent with the payment of the SEP Offset Amount, the Respondent shall provide the Enforcement SEP Coordinator with a copy of the check and transmittal letter indicating full payment of the SEP Offset Amount to the Third-Party Administrator. The Respondent shall mail a copy of the check and transmittal letter to:

Texas Commission on Environmental Quality Enforcement Division Attention: SEP Coordinator, MC 219 P.O. Box 13087 Austin, Texas 78711-3087

4. Failure to Fully Perform

If the Respondent does not perform its obligations under this Attachment C, including full expenditure of the SEP Offset Amount and submittal of the required reporting described in Sections 2 and 3 above, the ED may require immediate payment of all or part of the SEP Offset Amount.

In the event the ED determines that the Respondent failed to fully implement and complete the Project, the Respondent shall remit payment for all or a portion of the SEP Offset Amount, as determined by the ED, and as set forth in the attached Agreed Order. After receiving notice of failure to complete the SEP, the Respondent shall include the docket number of the attached Agreed Order and a note that the enclosed payment is for the reimbursement of a SEP, shall make the check payable to "Texas Commission on Environmental Quality," and shall mail it to:

Poly-America, L.P. Agreed Order - Attachment C

> Texas Commission on Environmental Quality Litigation Division Attention: SEP Coordinator, MC 175 P.O. Box 13087 Austin, Texas 78711-3087

5. Publicity

Any public statements concerning this SEP and/or project, made by or on behalf of the Respondent must include a clear statement that **the project was performed as part of the settlement of an enforcement action brought by the TCEQ**. Such statements include advertising, public relations, and press releases.

6. Recognition
