COMMENTS: Dear Chief Clerk of TCEQ: I hereby respectfully request a Public Meeting regarding subject permit renewal application by the City of Holliday. I am Chair of the Lake Wichita Revitalization Committee, and along with a fellow Committee member, Mr. Ford Swanson, we would like to clarify the discharge path of the treated effluent. The permit application states the effluent is discharged into an un-named tributary which flows to Holliday Creek and then Lake

Wichita. Our goal is to gather information at this Public Meeting and share that information with our full Committee. Since we are an advisory committee created by the Wichita Falls City Council, we will determine whether this information should be shared with City Council. Thank you for your consideration. If you have any questions, please email at dcoleman1634@gmail.com or call me at 979.574-6128.
