**Violation Description** Failed to prevent the unauthorized discharge of sewage into or adjacent to any water in the state. Specifically, a broken wastewater collection line located along County Road 1411 in Malakoff, Texas resulted in the discharge of sewage into an unnamed ditch, which flowed into an adjacent residential pond. The pond was severely impacted; there were significant amounts of algae growing on the surface of the pond which indicates eutrophic conditions caused by excess nutrients. The excess nutrients contributed to a higher oxygen demand that reduced the dissolved oxygen, resulting in a fish kill.

# TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

**IN THE MATTER OF AN  
ENFORCEMENT ACTION  
CONCERNING  
CITY OF LOG CABIN  
RN102800190**

**§  
§  
§  
§  
§**

**BEFORE THE  
TEXAS COMMISSION ON  
ENVIRONMENTAL QUALITY**

## **AGREED ORDER DOCKET NO. 2021-1417-MWD-E**

On \_\_\_\_\_, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding the City of Log Cabin (the "Respondent") under the authority of TEX. WATER CODE chs. 7 and 26. The Executive Director of the TCEQ, through the Enforcement Division, and the Respondent presented this Order to the Commission.

The Respondent understands that it has certain procedural rights at certain points in the enforcement process, including the right to formal notice of violations, notice of an evidentiary hearing, the right to an evidentiary hearing, and a right to appeal. By entering into this Order, the Respondent agrees to waive all notice and procedural rights.

It is further understood and agreed that this Order represents the complete and fully-integrated agreement of the parties. The provisions of this Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Order unenforceable, the remaining provisions shall be valid and enforceable. The duties and responsibilities imposed by this Order are binding upon the Respondent.

The Commission makes the following Findings of Fact and Conclusions of Law:

### **I. FINDINGS OF FACT**

1. The Respondent owns and operates a wastewater treatment facility located approximately 0.5 mile south of the intersection of Farm-to-Market Road 3054 and County Road 1411 in Henderson County, Texas (the "Facility"). The Facility is near or adjacent to water in the state as defined in TEX. WATER CODE § 26.001(5).
2. During an investigation conducted September 30, 2021 through October 6, 2021, an investigator documented that:
  - a. A broken wastewater collection line located along County Road 1411 in Malakoff, Texas resulted in the discharge of sewage into an unnamed ditch, which flowed into an adjacent residential pond. The pond was severely impacted; significant amounts of algae was growing on the surface of the pond, which indicates eutrophic conditions caused by excess nutrients. The excess nutrients contributed to a higher oxygen demand that reduced the dissolved oxygen, resulting in a fish kill.

- b. The Respondent did not notify the TCEQ until 48 hours after becoming initially aware of the unauthorized discharge that occurred on September 28, 2021.
3. The Executive Director recognizes that the Respondent implemented the following corrective actions:
  - a. By notifying the TCEQ of the unauthorized discharge that occurred on September 28, 2021, by October 1, 2021.
  - b. By ceasing the discharge, pumping Lift Station 4, cleaning and disinfecting the affected area, and repairing the broken wastewater collection line by October 4, 2021.

## **II. CONCLUSIONS OF LAW**

1. As evidenced by Finding of Fact No. 1, the Respondent is subject to the jurisdiction of the TCEQ pursuant to TEX. WATER CODE ch. 26 and the rules of the TCEQ.
2. As evidenced by Finding of Fact No. 2.a, the Respondent failed to prevent the unauthorized discharge of sewage into or adjacent to any water in the state, in violation of TEX. WATER CODE § 26.121(a)(1), 30 TEX. ADMIN. CODE § 305.125(1), and Texas Pollutant Discharge Elimination System ("TPDES") Permit No. WQ0014158001, Permit Conditions No. 2.g.
3. As evidenced by Finding of Fact No. 2.b, the Respondent failed to report an unauthorized discharge to the TCEQ Regional Office within 24 hours of becoming aware of the noncompliance, in violation of 30 TEX. ADMIN. CODE § 305.125(1) and TPDES Permit No. WQ0014158001, Monitoring Requirements Nos. 7.a and 7.b.i.
4. Pursuant to TEX. WATER CODE § 7.051, the TCEQ has the authority to assess an administrative penalty against the Respondent for violations of state statutes within the TCEQ's jurisdiction, for violations of rules adopted under such statutes, or for violations of orders or permits issued under such statutes.
5. An administrative penalty in the amount of \$10,375 is justified by the facts recited in this Order, and considered in light of the factors set forth in TEX. WATER CODE § 7.053. The Respondent paid the \$10,375 penalty.

## **III. ORDERING PROVISIONS**

NOW, THEREFORE, THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY ORDERS that:

1. The Respondent is assessed a penalty as set forth in Conclusion of Law No. 5 for violations of state statutes and rules of the TCEQ. The payment of this penalty and the Respondent's compliance with all the requirements set forth in this Order resolve only the matters set forth by this Order in this action. The Commission shall not be

constrained in any manner from requiring corrective actions or penalties for violations that are not raised here. Penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: City of Log Cabin, Docket No. 2021-1417-MWD-E" to:

Financial Administration Division, Revenue Operations Section  
Attention: Cashier's Office, MC 214  
Texas Commission on Environmental Quality  
P.O. Box 13088  
Austin, Texas 78711-3088

2. All relief not expressly granted in this Order is denied.
3. The duties and provisions imposed by this Order shall apply to and be binding upon the Respondent. The Respondent is ordered to give notice of this Order to personnel who maintain day-to-day control over the Facility operations referenced in this Order.
4. The Executive Director may grant an extension of any deadline in this Order or in any plan, report, or other document submitted pursuant to this Order, upon a written and substantiated showing of good cause. All requests for extensions by the Respondent shall be made in writing to the Executive Director. Extensions are not effective until the Respondent receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.
5. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that the Respondent has not complied with one or more of the terms in this Order.
6. This Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Order, whichever is later.
7. This Order, issued by the Commission, shall not be admissible against the Respondent in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
8. This Order may be executed in separate and multiple counterparts, which together shall constitute a single instrument.
