TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Re: Application by Stephen Richard Selinger to the Texas Commission on Environmental Quality for new Texas Commission Elimination System ("TPDES") Permit No. WQ0015932001

Dear Chief Clerk Gharis:

Please see the necessary criteria for requesting a contested case hearing regarding the TPDES for the Waxahachie 530 WWTP listed below:

1. State Representative Jake Ellzey, (512) 463-0516, P.O. Box 2910, Austin, TX 78768;
2. Stephen Richard Selinger ("Applicant"), Permit No. WQ0015932001;
3. I request a contested case hearing regarding the Application by Stephen Richard Selinger to the Texas Commission on Environmental Quality for new Texas Commission Elimination System ("TPDES") Permit No. WQ0015932001 ("Permit");
4. As the State Representative for the impacted area, I am affected by the petition in ways not common to the general public. I have concerns about the issuance of TPDES Permit and the negative impacts it could have on my constituents. Specifically, I am concerned about the following:
  - Applicant's failure to follow State of Texas' regionalization policy;
  - Applicant is not an experienced facility and system operator;
  - Issuance of the Permit could negatively affect Lake Bardwell, a sole source drinking water supply lake that serves the County;
  - Issuance of the Permit could negatively impact aquatic life and recreation on Lake Bardwell; and,
5. Ellis County is in House District 10 and Waxahachie 530 WWTP Permit No. WQ0015932001 is in Ellis County, Texas.

Please do not hesitate to reach out if you have any questions.

Sincerely,

Jake Ellzey  
State Representative, House District 10
