TEXAS COMMISSION ON

ENVIRONMENTAL QUALITY

DEFAULT ORDER

DOCKET NO. 2021-1451-PST-E

On ______, the Texas Commission on Environmental Quality ("Commission" or "TCEQ") considered the Executive Director's Preliminary Report and Petition, filed pursuant to TEX. WATER CODE chs. 7 and 26 and the rules of the TCEQ, which requests appropriate relief, including the imposition of an administrative penalty and corrective action of the respondent. The respondent made the subject of this Order is FARMERS COOPERATIVE SOCIETY NO. 1 OF JAYTON, TEXAS ("Respondent").

The Commission makes the following Findings of Fact and Conclusions of Law:

FINDINGS OF FACT

- 1. Respondent owned and operated, as defined in 30 TEX. ADMIN. CODE § 334.2(78) and (75), an underground storage tank ("UST") system and a farmers' cooperative located at 217 East 2nd Street in Jayton, Kent County, Texas (Facility ID No. 20816) (the "Facility"). The USTs at the Facility are not exempt or excluded from regulation under the Texas Water Code or the rules of the Commission, and contain or contained a regulated petroleum substance as defined in the rules of the TCEQ.
- 2. During an investigation conducted on September 8, 2021, an investigator documented that Respondent:
 - a. Failed to demonstrate acceptable financial assurance for taking corrective action and for compensating third parties for bodily injury and property damage caused by accidental releases arising from the operation of petroleum USTs. Specifically, the financial assurance policy expired on March 8, 2021;
 - b. Failed to inspect the impressed current cathodic protection system at least once every 60 days to ensure that the rectifier and system components are operating properly;
 - c. Failed to have the cathodic protection system inspected and tested for operability and adequacy of protection at a frequency of at least once every three years;
 - d. Failed to monitor the USTs for releases at a frequency of at least once every 30 days;
 - e. Failed to provide release detection for the pressurized piping associated with the UST system. Specifically, Respondent had not conducted the annual line leak detector and piping tightness testing; and
 - f. Failed to maintain required operator training certification records and make them available for inspection upon request by agency personnel.
- 3. The Executive Director recognizes that Respondent no longer owns/operates the Facility as of April 4, 2023.

- 4. The Executive Director filed the "Executive Director's Preliminary Report and Petition Recommending that the Texas Commission on Environmental Quality Enter an Enforcement Order Assessing an Administrative Penalty Against and Requiring Certain Actions of FARMERS COOPERATIVE SOCIETY NO. 1 OF JAYTON, TEXAS " (the "EDPRP") in the TCEQ Chief Clerk's office on April, 26, 2023.
- 5. The EDPRP was mailed to Respondent's last known address on April, 26, 2023, via certified mail, return receipt requested, postage prepaid. The United States Postal Service returned the EDPRP sent by certified mail as "unclaimed."
- 6. The Executive Director re-filed the EDPRP in the TCEQ Chief Clerk's office on May 12, 2023.
- 7. By letter dated May 12, 2023, sent to Respondent's last known addresses via certified mail, return receipt requested, postage prepaid, the Executive Director served Respondent with notice of the EDPRP. According to the return receipt "green cards," Respondent received notice of the EDPRP on May 17, 2023 and May 18, 2023, as evidenced by the signatures on the cards.
- 8. More than 20 days have elapsed since Respondent received notice of the EDPRP. Respondent failed to file an answer and failed to request a hearing.

CONCLUSIONS OF LAW

- 1. As evidenced by Finding of Fact No. 1, Respondent is subject to the jurisdiction of the TCEQ pursuant to TEX. WATER CODE ch. 26 and the rules of the TCEQ.
- 2. As evidenced by Finding of Fact No. 2.a., Respondent failed to demonstrate acceptable financial assurance for taking corrective action and for compensating third parties for bodily injury and property damage caused by accidental releases arising from the operation of petroleum USTs, in violation of 30 Tex. ADMIN. CODE § 37.815(a) and (b).
- 3. As evidenced by Finding of Fact No. 2.b., Respondent failed to inspect the impressed current cathodic protection system at least once every 60 days to ensure that the rectifier and system components are operating properly, in violation of Tex. WATER CODE § 26.3475(d) and 30 Tex. ADMIN. CODE § 334.49(c)(2)(C).
- 4. As evidenced by Finding of Fact No. 2.c., Respondent failed to have the cathodic protection system inspected and tested for operability and adequacy of protection at a frequency of at least once every three years, in violation of Tex. WATER CODE § 26.3475(d) and 30 Tex. ADMIN. CODE § 334.49(c)(4)(C).
- 5. As evidenced by Finding of Fact No. 2.d., Respondent failed to monitor the USTs for releases at a frequency of at least once every 30 days, in violation of TEX. WATER CODE § 26.3475(c)(1) and 30 TEX. ADMIN. CODE § 334.50(b)(1)(A).
- 6. As evidenced by Finding of Fact No. 2.e., Respondent failed to provide release detection for the pressurized piping associated with the UST system, in violation of Tex. WATER CODE § 26.3475(a) and 30 Tex. ADMIN. CODE § 334.50(b)(2).
- 7. As evidenced by Finding of Fact No. 2.f., Respondent failed to maintain required operator training certification records and make them available for inspection upon request by agency personnel, in violation of 30 Tex. ADMIN. CODE § 334.606.
- 8. As evidenced by Findings of Fact Nos. 4 through 7, the Executive Director timely served Respondent with proper notice of the EDPRP, as required by TEX. WATER CODE § 7.055 and 30 TEX. ADMIN. CODE § 70.104(b)(1).

- 9. As evidenced by Finding of Fact No. 8, Respondent failed to file a timely answer as required by TEX. WATER CODE § 7.056 and 30 TEX. ADMIN. CODE § 70.105. Pursuant to TEX. WATER CODE § 7.057 and 30 TEX. ADMIN. CODE § 70.106, the Commission may enter a Default Order against Respondent and assess the penalty recommended by the Executive Director.
- 10. Pursuant to TEX. WATER CODE § 7.051, the Commission has the authority to assess an administrative penalty against Respondent for violations of state statutes within TCEQ's jurisdiction, for violations of rules adopted under such statutes, or for violations of orders or permits issued under such statutes.
- 11. An administrative penalty in the amount of twelve thousand five hundred dollars (\$12,500.00) is justified by the facts recited in this Order, and considered in light of the factors set forth in Tex. WATER CODE § 7.053.
- 12. TEX. WATER CODE §§ 5.102 and 7.002 authorize the Commission to issue orders and make determinations necessary to effectuate the purposes of the statutes within its jurisdiction.

ORDERING PROVISIONS

NOW, THEREFORE, THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY ORDERS that:

- 1. Respondent is assessed an administrative penalty in the amount of twelve thousand five hundred dollars (\$12,500.00) for violations of state statutes and rules of the TCEQ. The payment of this penalty and Respondent's compliance with all the requirements set forth in this Order resolve only the matters set forth by this Order in this action. The Commission shall not be constrained in any manner from requiring corrective actions or penalties for violations which are not raised here.
- 2. The penalty assessed by this Order shall be paid within 30 days after the effective date of this Order. All checks submitted to pay the penalty imposed by this Order shall be made out to TCEQ and shall be sent with the notation "Re: FARMERS COOPERATIVE SOCIETY NO. 1 OF JAYTON, TEXAS; Docket No. 2021-1451-PST-E" to:

Financial Administration Division Revenue Operations Section Texas Commission on Environmental Quality Attention: Cashier's Office, MC 214 P.O. Box 13088 Austin, Texas 78711-3088

- 3. All relief not expressly granted in this Order is denied.
- 4. The provisions of this Order shall apply to and be binding upon Respondent.
- 5. The Executive Director may grant an extension of any deadline in this Order or in any plan, report, or other document submitted pursuant to this Order, upon a written and substantiated showing of good cause. All requests for extensions by Respondent shall be made in writing to the Executive Director. Extensions are not effective until Respondent receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.
- 6. If Respondent fails to comply with any of the Ordering Provisions in this Order within the prescribed schedules, and that failure is caused solely by an act of God, war, strike, riot, or other catastrophe, Respondent's failure to comply is not a violation of this Order. Respondent shall have the burden of establishing to the Executive Director's satisfaction that such an event has occurred. Respondent shall notify the Executive Director within seven days after Respondent becomes aware of a delaying event and shall take all reasonable measures to mitigate and minimize any delay.

- 7. The Executive Director may refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings without notice to Respondent if the Executive Director determines that Respondent has not complied with one or more of the terms or conditions in this Order.
- 8. The provisions of this Order are deemed severable, and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Order unenforceable, the remaining provisions shall be valid and enforceable.
- 9. This Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Order, whichever is later.
- 10. The Chief Clerk shall provide a copy of this fully executed Order to each of the parties. By law, the effective date of this Order shall be the date the Order is final, as provided by 30 TEX. ADMIN. CODE § 70.106(d) and TEX. GOV'T CODE § 2001.144.
