Scrap Tire Facility - Transmittal of Registration  
Tracking No. 26318227, 26676994; RN111351060/CN605942408

Dear Ms. Lozoya:

The Business and Program Services (BPS) Section has approved the above-referenced registration for a scrap tire facility located at 14650 Dove Rd. Moody, TX 76557. The physical address provided on the Property Owner Affidavit form (TCEQ-10299) is 14650 Dove Rd. Moody, TX 76557. The scrap tire facility registration application dated August 6, 2021, and the revisions dated August 8, 2021, August 20, 2021, August 27, 2021, September 03, 2021, and September 13, 2021 were received on August 11, 2021 and September 3, 2021, September 11, 2021, and September 15, 2021. The application was submitted to comply with the applicable requirements under Title 30, Texas Administrative Code (TAC) Chapter 328, Subchapter F.

**Your scrap tire facility registration identification number is 170067.** Please use this identification number in all your correspondence and documentation related to this scrap tire facility registration. The registration allows you to process used and/or scrap tires, or tire pieces at the above-referenced location as described in your application. This registration allows you to store a maximum of 500 used or scrap tires (or the equivalent in tire pieces) on the ground or 2,000 used or scrap tires (or the equivalent in tire pieces) in totally enclosed lockable containers at the facility.

This registration will remain valid as long as you are in compliance with the TCEQ rules including 30 TAC Chapter 328, Subchapter F. If there is a change in the information provided in your application, including change in ownership, change in operations, or a change in scrap tire management methods, please contact the TCEQ's Scrap Tire Management Program for guidance on amending your registration or submitting a new registration application.

Please be aware that the manner in which used, or scrap tires are processed/managed should not create a hazard to the health and safety of the public or the environment. A copy of the rules for the management of used or scrap tires can be obtained on our public web site located at [www.tceq.texas.gov/tires](http://www.tceq.texas.gov/tires). By obtaining this registration you have agreed to comply with the rules governing scrap tire management. Failure to comply with the requirements of 30 TAC Chapter 328, Subchapter F, could result in revocation of your registration.
