IN THE MATTER OF AN ENFORCEMENT ACTION CONCERNING SAN DARIO RETAIL, LLC DBA PUMP N SHOP 15; RN101876977

BEFORE THE

TEXAS COMMISSION ON

ENVIRONMENTAL QUALITY

AGREED ORDER

DOCKET NO. 2021-1582-PST-E

I. JURISDICTION AND STIPULATIONS

On ______, the Texas Commission on Environmental Quality ("Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding San Dario Retail, LLC dba Pump N Shop 15 ("Respondent") under the authority of Tex. Water Code chs. 7 and 26. The Executive Director of the TCEQ, represented by the Litigation Division, and Respondent together stipulate that:

- 1. Respondent owns and operates, as defined in 30 TEX. ADMIN. CODE § 334.2(78) and (75), an underground storage tank ("UST") system and a convenience store with retail sales of gasoline located at 3419 San Dario Avenue in Laredo, Webb County, Texas (Facility ID No. 11076) (the "Facility"). The USTs at the Facility are not exempt or excluded from regulation under the Texas Water Code or the rules of the Commission, and contain or contained a regulated petroleum substance as defined in the rules of the TCEQ.
- 2. The Executive Director and Respondent agree that TCEQ has jurisdiction to enter this Order pursuant to TEX. WATER CODE §§ 7.002, 7.051, and 7.073, and that Respondent is subject to TCEQ's jurisdiction. The TCEQ has jurisdiction in this matter pursuant to TEX. WATER CODE § 5.013 because it alleges violations of TEX. WATER CODE ch. 26 and the rules of the TCEQ.
- 3. The occurrence of any violation is in dispute and the entry of this Order shall not constitute an admission by Respondent of any violation alleged in Section II ("Allegations"), nor of any statute or rule.
- 4. An administrative penalty in the amount of \$10,527 is assessed by the Commission in settlement of the violations alleged in Section II. Respondent paid \$307 of the penalty. The remaining amount of \$10,220 shall be paid in 35 monthly payments of \$292 each. The first monthly payment shall be paid within 30 days after the effective date of this Order. The subsequent payments shall each be paid not later than 30 days following the due date of the previous payment until the penalty is paid in full. If Respondent fails to timely and satisfactorily comply with the payment requirements of this Order, including the payment schedule, the Executive Director may, at his option, accelerate the maturity of the remaining installments, in which event the unpaid balance shall become immediately due and payable without demand or notice. In addition, Respondent's failure to meet the payment schedule of this Order and/or the acceleration of any remaining balance constitutes the failure by Respondent to timely and satisfactorily comply with all the terms of this Order.
- 5. The Executive Director and Respondent agree on a settlement of the matters addressed in this Order, subject to final approval in accordance with 30 TEX. ADMIN. CODE § 70.10(a). Any notice and procedures which might otherwise be authorized or required in this action are waived in the interest of a more timely resolution of the matter.

- 6. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that Respondent has not complied with one or more of the terms or conditions contained in this Order.
- 7. This Order represents the complete and fully-integrated agreement of the parties. The provisions of this Order are deemed severable, and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Order unenforceable, the remaining provisions shall be valid and enforceable.
- 8. This Order shall terminate five years from its effective date or upon full compliance with all the terms and conditions set forth in this Order, whichever is later.

II. ALLEGATIONS

- 1. During an investigation conducted on April 1, 2021, and a record review conducted on November 12, 2021, an investigator documented that Respondent:
 - a. Failed to report a suspected release to the agency within 24 hours of discovery, in violation of 30 TEX. ADMIN. CODE § 334.72. Specifically, inventory control ("IC") records for the supreme unleaded UST for February 2020 through June 2020 and for August 2020 through February 2021 indicated a suspected release that was not reported; and
 - b. Failed to investigate and confirm all suspected releases of regulated substances requiring reporting under 30 Tex. ADMIN. CODE § 334.72 (relating to Reporting of Suspected Releases) within 30 days, in violation of 30 Tex. ADMIN. CODE § 334.74. Specifically, IC records for the supreme unleaded UST for February 2020 through June 2020 and for August 2020 through February 2021 indicated a suspected release that was not investigated.

III. DENIALS

Respondent generally denies each Allegation in Section II.

IV. ORDERING PROVISIONS

NOW, THEREFORE, THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY ORDERS that:

1. Respondent is assessed an administrative penalty as set forth in Section I, Paragraph 4. The payment of this penalty and Respondent's compliance with all of the requirements set forth in this Order resolve only the Allegations in Section II. The Commission shall not be constrained in any manner from requiring corrective actions or penalties for violations which are not raised here. Penalty payments shall be made payable to TCEQ and shall be sent with the notation "Re: San Dario Retail, LLC dba Pump N Shop, Docket No. 2021-1582-PST-E" to:

- 5. The Executive Director may grant an extension of any deadline in this Order or in any plan, report, or other document submitted pursuant to this Order, upon a written and substantiated showing of good cause. All requests for extensions by Respondent shall be made in writing to the Executive Director. Extensions are not effective until Respondent receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director. Extension requests shall be sent to the Enforcement Division at the address listed above.
- 6. If Respondent fails to comply with any of the Ordering Provisions in this Order within the prescribed schedules, and that failure is caused solely by an act of God, war, strike, riot, or other catastrophe, Respondent's failure to comply is not a violation of this Order. Respondent shall have the burden of establishing to the Executive Director's satisfaction that such an event has occurred. Respondent shall notify the Executive Director within seven days after Respondent becomes aware of a delaying event and shall take all reasonable measures to mitigate and minimize any delay.
- 7.
