Violation Information

1. Failed to provide an amended registration for any change or additional information to the agency regarding the UST system within 30 days from the date of the occurrence of the change or addition. Specifically, the registration was not updated to reflect the current operational status of the UST system at the Facility [30 TEX. ADMIN. CODE § 334.7(d)(1)(B) and (d)(3)].

2. Failed to inspect and test the corrosion protection system for operability and adequacy of protection at a frequency of at least once every three years. Specifically, the Respondent had not conducted the triennial testing of the corrosion protection system [30 Tex. ADMIN. CODE §§ 334.49(c)(4)(C) and 334.54(b)(3) and Tex. WATER CODE § 26.3475(d)].

3. Failed to inspect the corrosion protection system at least once every 60 days to ensure that the rectifier and other system components are operating properly [30 Tex. ADMIN. CODE §§ 334.49(c)(2)(C) and 334.54(b)(3) and Tex. WATER CODE § 26.3475(d)].

4. Failed to demonstrate acceptable financial assurance for taking corrective action and for compensating third parties for bodily injury and property damage caused by accidental releases arising from the operation of petroleum USTs [30 TEX. ADMIN. CODE § 37.815(a) and (b)].

5. Failed to maintain required operator training certification on-site and make it available for inspection upon request by agency personnel. Specifically, documentation for Class A and Class B operator training certification were not available for review at the time of the investigation [30 Tex. ADMIN. CODE § 334.606].

Corrective Actions/Technical Requirements

Corrective Action(s) Completed:

N/A

Technical Requirements:

The Order will require the Respondent to:

a. Within 30 days:

i. Begin conducting 60-day inspections of the rectifier and other components of the corrosion protection system;

ii. Conduct the required triennial testing of the corrosion protection system;

iii. Begin maintaining documentation for the Class A and Class B operator training certification on-site at the Facility; and

iv. Submit a completely and accurately filled out registration to reflect the operational status of the UST system as temporarily out-of-service

b. In addition, within 30 days, comply with either b.i. or b.ii. and b.iii.:

i. Obtain financial assurance for the USTs; or

ii. Empty the USTs of all regulated substances; and

iii. Conduct a site check and perform any necessary corrective actions.

c. In lieu of a. and b., within 180 days, permanently remove the UST system from service which includes the following actions:

i. Providing a Construction Notification to the TCEQ at least 30-days prior to any removal activities; and

ii. Employing a Licensed UST Contractor to perform all removal activities including:

1. Removing the USTs from the ground, abandoning the UST in-place or conducting a permanent change-in-service;

2. Emptying the USTs of all regulated substances and accumulated sludges or residues and purging the USTs of all residual vapors;

3. Handling, transporting, and properly disposing of the empty USTs, the regulated substances removed from the UST system, and any contaminated soils, backfill material, groundwater, wash water or other similar materials removed from the UST system or Facility; and

4. Determining whether or not there has been a release of regulated substance from the UST system, performance of a comprehensive site assessment, reporting confirmed or suspected releases to the TCEQ, preparing a detailed written record of the release determination, and compliance with all applicable corrective action requirements.

iv. Submitting a completely and accurately filled out registration to reflect the current operational status of the UST system as permanently removed from service.

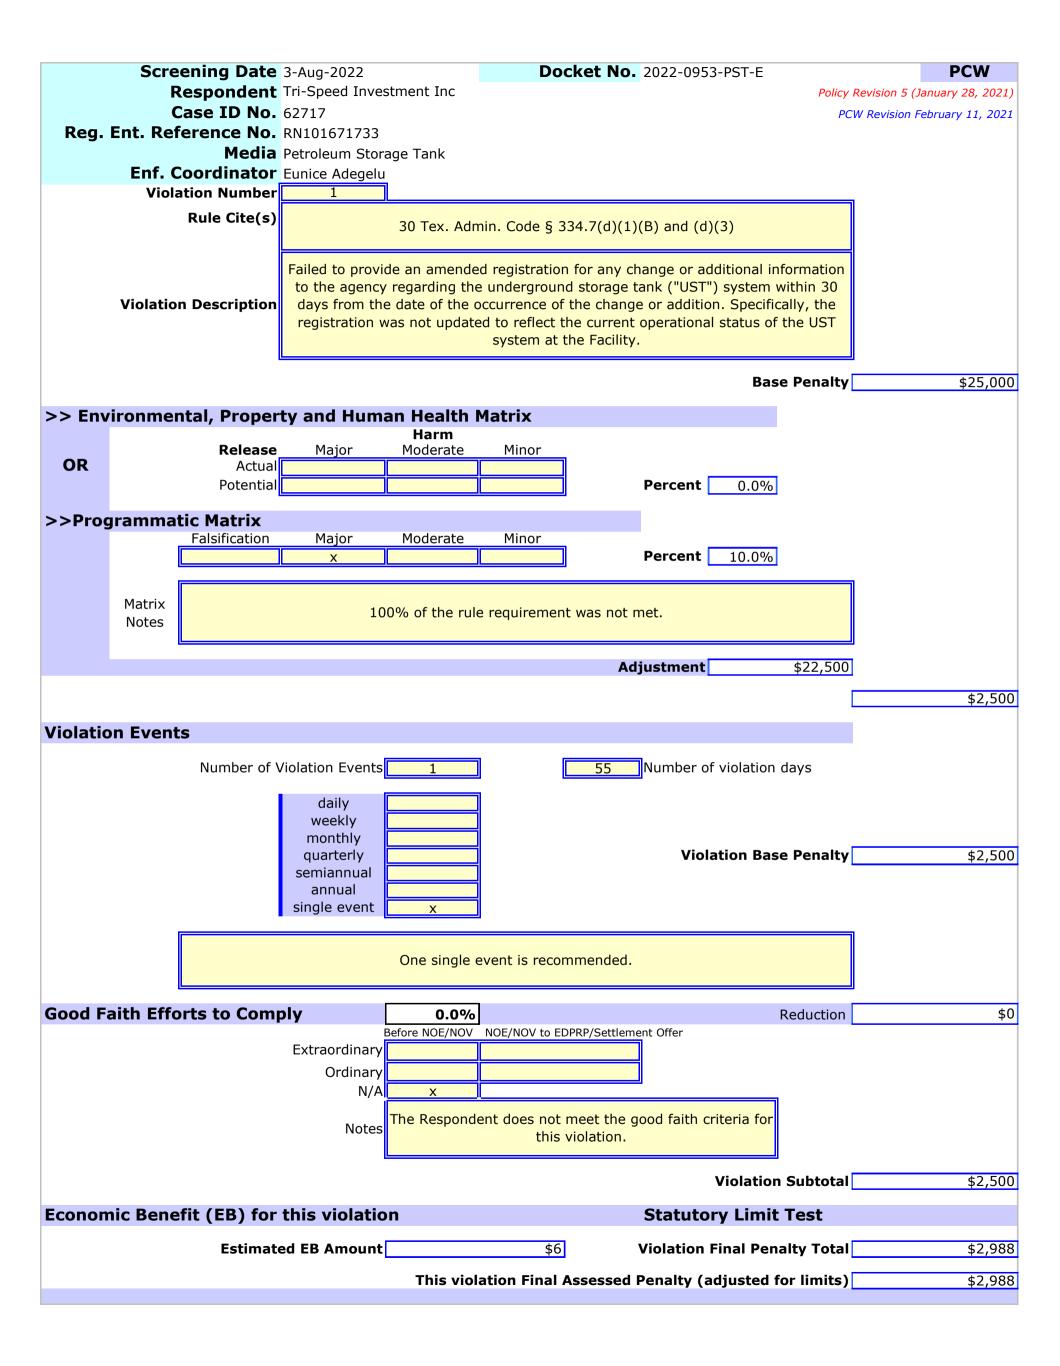

d. Within 195 days, submit written certification to demonstrate compliance with Ordering Provision Nos. a. and b., or c.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

§

55555

IN THE MATTER OF AN ENFORCEMENT ACTION CONCERNING TRI-SPEED INVESTMENT INC RN101671733 BEFORE THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

AGREED ORDER DOCKET NO. 2022-0953-PST-E

I. JURISDICTION AND STIPULATIONS

On _______, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding Tri-Speed Investment Inc (the "Respondent") under the authority of TEX. WATER CODE chs. 7 and 26. The Executive Director of the TCEQ, through the Enforcement Division, and the Respondent together stipulate that:

- 1. The Respondent owns, as defined in 30 TEX. ADMIN. CODE § 334.2(78), a temporarily-outof-service underground storage tank ("UST") system located at 187 South McLennan Drive in Elm Mott, McLennan County, Texas (the "Facility"). The UST system at the Facility is not exempt or excluded from regulation under the Texas Water Code or the rules of the Commission, and contains or contained a regulated petroleum substance as defined in the rules of the TCEQ.
- 2. The Executive Director and the Respondent agree that the TCEQ has jurisdiction to enter this Order pursuant to Tex. WATER CODE §§ 7.002, 7.051, and 7.073, and that the Respondent is subject to TCEQ's jurisdiction. The TCEQ has jurisdiction in this matter pursuant to Tex. WATER CODE § 5.013 because it alleges violations of Tex. WATER CODE ch. 26 and the rules of the TCEQ.
- 3. The occurrence of any violation is in dispute and the entry of this Order shall not constitute an admission by the Respondent of any violation alleged in Section II ("Allegations"), nor of any statute or rule.
- 4. An administrative penalty in the amount of \$10,458 is assessed by the Commission in settlement of the violations alleged in Section II ("Allegations"). The Respondent paid \$8,367 of the penalty and \$2,091 is deferred contingent upon the Respondent's timely and satisfactory compliance with all the terms of this Order and shall be waived only upon full compliance with all the terms and conditions contained in this Order.

There is a payment plan option for the Respondent to first make a payment of \$247 and the remaining amount of \$8,120 of the undeferred penalty shall be paid in 35 monthly payments of \$232 each. The first monthly payment shall be paid within 30 days after the effective date of this Order. The subsequent payments shall each be paid not later than 30 days following the due date of the previous payment until the penalty is paid in full. If the Respondent fails to comply with the payment requirements of this Order, including the payment schedule, the Executive Director may accelerate the maturity of the remaining installments, in which event the unpaid balance shall become immediately due and payable without demand or notice. The Respondent's failure to meet the payment schedule of this Order and/or the acceleration of any remaining balance constitutes the failure by the Respondent to timely and satisfactorily comply with all the terms and conditions of this Order and the Executive Director may demand payment of all or part of the deferred penalty amount.

- 5. The Executive Director and the Respondent agree on a settlement of the matters alleged in this enforcement action, subject to final approval in accordance with 30 TEX. ADMIN. CODE § 70.10(a). Any notice and procedures, which might otherwise be authorized or required in this action, are waived in the interest of a more timely resolution of the matter.
- 6. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that the Respondent has not complied with one or more of the terms or conditions in this Order.
- 7. This Order represents the complete and fully integrated agreement of the parties. The provisions of this Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Order unenforceable, the remaining provisions shall be valid and enforceable.
- 8. This Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Order, whichever is later.

II. ALLEGATIONS

During an investigation at the Facility conducted on November 16, 2021, and a record review for the Facility conducted on June 9, 2022, an investigator documented that the Respondent:

- 1. Failed to provide an amended registration for any change or additional information to the agency regarding the UST system within 30 days from the date of the occurrence of the change or addition, in violation of 30 Tex. ADMIN. CODE § 334.7(d)(1)(B) and (d)(3). Specifically, the registration was not updated to reflect the current operational status of the UST system at the Facility.
- 2. Failed to inspect and test the corrosion protection system for operability and adequacy of protection at a frequency of at least once every three years, in violation of 30 Tex. ADMIN. CODE §§ 334.49(c)(4)(C) and 334.54(b)(3) and Tex. WATER CODE § 26.3475(d). Specifically, the Respondent had not conducted the triennial testing of the corrosion protection system.
- 3. Failed to inspect the corrosion protection system at least once every 60 days to ensure that the rectifier and other system components are operating properly, in violation of 30 TEX. ADMIN. CODE §§ 334.49(c)(2)(C) and 334.54(b)(3) and TEX. WATER CODE § 26.3475(d).
- 4. Failed to demonstrate acceptable financial assurance for taking corrective action and for compensating third parties for bodily injury and property damage caused by accidental releases arising from the operation of petroleum USTs, in violation of 30 Tex. ADMIN. CODE § 37.815(a) and (b).

5. Failed to maintain required operator training certification on-site and make it available for inspection upon request by agency personnel, in violation of 30 Tex. ADMIN. CODE § 334.606. Specifically, documentation for Class A and Class B operator training certification were not available for review at the time of the investigation.

III. DENIALS

The Respondent generally denies each allegation in Section II ("Allegations").

IV. ORDERING PROVISIONS

NOW, THEREFORE, THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY ORDERS that:

1. The Respondent is assessed a penalty as set forth in Section I, Paragraph No. 4. The payment of this penalty and the Respondent's compliance with all of the requirements set forth in this Order resolve only the allegations in Section II. The Commission shall not be constrained in any manner from requiring corrective action or penalties for violations which are not raised here. Penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: Tri-Speed Investment Inc, Docket No. 2022-0953-PST-E" to:

Financial Administration Division, Revenue Operations Section Attention: Cashier's Office, MC 214 Texas Commission on Environmental Quality P.O. Box 13088 Austin, Texas 78711-3088

- 2. The Respondent shall undertake the following technical requirements (Ordering Provision Nos. 2.a and 2.b, or 2.c.) and certify compliance as described in Ordering Provision No. 2.d:

I, the undersigned, have read and understand the attached Order. I am authorized to agree to the attached Order, and I do agree to the terms and conditions specified therein. I further acknowledge that the TCEQ, in accepting payment for the penalty amount, is materially relying on such representation.

I also understand that failure to comply with the Ordering Provisions, if any, in this Order and/or failure to timely pay the penalty amount, may result in:

- A negative impact on compliance history;
- Greater scrutiny of any permit applications submitted;
- Referral of this case to the OAG for contempt, injunctive relief, additional penalties, and/or attorney fees, or to a collection agency:
- Increased penalties in any future enforcement actions;
- Automatic referral to the OAG of any future enforcement actions; and
- TCEQ seeking other relief as authorized by law.

In addition, any falsification of any compliance documents may result in criminal prosecution.
