Hey...

Yes, it would be best to put it on letterhead so it can go through the "official" channels here.

Make sure and include the permit # as well. Let me know if you need anything else!!

I hope you guys are doing great, and have some time to relax before getting out to campaign (if necessary). I know we were told no on the latest request for an additional public hearing, but is there any chance that you could touch base with them one more time and ask pretty please? I have so many people here that were not able to attend the previous one due to technology limitations.

Re: City of Waco/Proposed permit No. 2400

Dear Mr. Baker,

I am writing to you today with regards to the City of Waco and their application for a permit to authorize the construction and operation of a new Type I Municipal Solid Waste (MSW) landfill.

I would like to officially request another public hearing on the City of Waco's proposed landfill and would request that the hearing be conducted in-person. The last public hearing that the City of Waco conducted was done so without the Draft permit being published, meaning, the hearing was over an incomplete draft. Furthermore, the hearing was held virtually and not in-person. I have received quite a bit of feedback from interested parties that they felt as though the online format was prohibitive and that many individuals were unable to sign on and make comment.

Thank you for your consideration of these requests and I look forward to working with you to address the needs and concerns of the people of Texas.

Should you have any questions pertaining to this request, please do not hesitate to contact my office.

Sincerely,

Subject: MUNICIPAL SOLID WASTE PROPOSED PERMIT NO. 2400

Dear Mr. Baker,

My office has received communications from constituents in both McLennan and Limestone counties with concerns pertaining to the application by the City of Waco for a permit allowing for the construction and operation of a new Type 1 Municipal Solid Waste landfill to be located in Axtell, Texas. For this reason, I believe there is greater room for discussion of this permit application and would like to formally request a public meeting on the above referenced permit so that the Texas Commission on Environmental Quality can address all of the pertinent questions and concerns of those seeking additional information about the proposed project as well as provide public comment.

Thank you for your consideration of this request and I look forward to working with you to address the needs of the people of Texas.

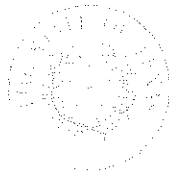

If you have any questions please feel free to contact my Chief of Staff, Terra Willett, at (512) 463-0412 or at [Terra.Willett@house.texas.gov](mailto:Terra.Willett@house.texas.gov).

Dear Representative Kacal:

Thank you for your letter requesting public meeting regarding an application filed by the City of Waco, proposed Municipal Solid Waste Permit No. 2400, which would authorize construction and operation of a new Type I Municipal Solid Waste (MSW) landfill. The facility is proposed to be located at 4730 T K Parkway, Axtell, in McLennan and Limestone Counties, Texas.

We will work with your staff to schedule a meeting at a time and location that is convenient for you and your constituents.

Re: City of Waco, Municipal Solid Waste Disposal Permit Application No. 2400

Dear Chairman Niermann,

As Chair of the Texas Commission on Environmental Quality, you have been tasked with the tremendous responsibility of protecting our state's air, water, and natural resources, while balancing that duty with sustainable economic development policies. I too share those values, while also ensuring the voices of Senate District 5 residents are heard whenever a TCEQ related permit directly impacts their lives.

With that in mind, I respectfully request that TCEQ hold a public meeting at the earliest convenience for all related parties, regarding MSW Permit Application No. 2400.

Thank you for your service to the state. If you have any questions, please do not hesitate to contact me.

Sincerely,

Re: City of Waco / Proposed Type I Municipal Solid Waste Landfill Permit No. 2400

Dear Senator Schwertner:

Thank you for your October 18, 2018 letter requesting a public meeting regarding an application filed by the City of Waco, proposed Municipal Solid Waste Permit No. 2400, which would authorize construction and operation of a new Type I Municipal Solid Waste (MSW) landfill. The facility is proposed to be located at 4730 T K Parkway, Axtell, in McLennan and Limestone Counties, Texas. Because this remains a contested matter with the Texas Commission on Environmental Quality (TCEQ) and is subject to *ex parte* communication laws which prevent the TCEQ Commissioners from communicating on matters that come before them, your letter was forwarded to me for a response.

We will work with your staff to schedule a meeting at a time and location that is convenient for you and your constituents.

If you have any questions, please contact me at (512) 239-3900, or Ms. Bridget C. Bohac, Chief Clerk, at (512) 239-3300.
