Re: Exflur Research Corporation, Permit No. 165848

Dear Chairman Niermann,

As Chair of the Texas Commission on Environmental Quality, you have been tasked with the tremendous responsibility of protecting our state's air, water, and natural resources, while balancing that duty with sustainable economic development policies. I too share those values, while also ensuring the voices of Senate District 5 residents are heard whenever a TCEQ related permit directly impacts their lives.

With that in mind, I respectfully request that TCEQ hold a public meeting at the earliest convenience for all related parties regarding the Exflur Research Corporation, Permit #165848. Thank you for your service to the state. If you have any questions, please do not hesitate to contact me.

Sincerely,

Re: Exflur Research Corporation / Application No. 165848

Dear Senator Schwertner:

Thank you for your letter to the Texas Commission on Environmental Quality (TCEQ) requesting a public meeting regarding Exflur Research Corporation / Application No. 165848. This application would authorize construction of the Exflur Research facility located at 1100 County Road 236, Florence, Williamson County, Texas 76527.

Public participation is an integral part of the permitting process. Proposed public meetings will provide an opportunity for the public to ask questions, to voice their concerns, and to formally comment. The public may also provide written comments to the TCEQ anytime during the public comment period. The TCEQ takes both types of comments into consideration during the permitting process.

The Office of the Chief Clerk will facilitate the public meeting and are available to answer any questions the public may have concerning this meeting. If you have any questions, please contact me at (512) 239-3900 or Laurie Gharis, Chief Clerk, at (512) 239-3300.

Sincerely,

A handwritten signature in black ink, appearing to read 'Toby Baker'.
