RE: SOAH Docket No. 582-23-15496; TCEQ Docket No. 2022-1553-WDW; Application of URANIUM ENERGY CORP. for Permit Nos. WDW423 and WDW424, in Goliad County, Texas.

The above-referenced matter is scheduled to be considered by the Texas Commission on Environmental Quality on **August 28, 2024 at 9:30 A.M.** Due to an ongoing construction project impacting TCEQ's meeting spaces, the agenda meeting will be held in **Room 244 of the Texas Workforce Commission** located at 101 East 15th Street in Austin, Texas, virtually, or both in person and virtually. To confirm how the meeting will be held, please visit the Commissioners' Agenda webpage at: https://www.tceq.texas.gov/agency/decisions/agendas/comm/comm_agendas.html eight days before the Agenda.

Pursuant to 30 TAC § 80.263, oral presentations before the commission shall be limited to five minutes each, excluding time for answering questions, unless the chairman or general counsel establishes other limitations. Accordingly, the Applicant, Executive Director, and Office of Public Interest Counsel will each have five minutes for oral arguments and the Protestants will have five minutes, collectively. The Protestants should apportion their five minutes among themselves prior to the public meeting and contact Georgia Carroll-Warren, Office of the Chief Clerk at (512) 239-3300 by 5:00 p.m. on Friday, August 23, 2024, to let her know how the time will be apportioned. The Applicant may save part of its time for rebuttal, as it bears the burden of proof. Parties should present their arguments on the Proposal for Decision during their allotted oral argument time.

Should you need any additional information, please contact Georgia Carroll-Warren at the Texas Commission on Environmental Quality, Office of the Chief Clerk, (512) 239-3300.

Sincerely,

A handwritten signature in cursive script that reads "Laurie Gharis".
