Rules Review of 30 Texas Administrative Code Chapter 20  
Non-Rule Project No. 2023-026-020-LS

**What the adopted action would do:**

This action will approve the rules review of Chapter 20, and readopt the chapter.

This action constitutes a determination by the Texas Commission on Environmental Quality (commission), after opportunity for public review and comment, that the initial reasons for adopting the rules of this chapter continue to exist.

**Applicable law:**

The review of the rules is authorized under the requirements of Texas Government Code, §2001.039; and the General Appropriations Act, Article IX, §9-10.13, 76th Texas Legislature, 1999, which require state agencies to review and consider for readoption each of their rules every four years.
