Director White,

My name is Mehgan Taack and I am the manager of the Commissioners' Agendas and Final Documents Section at the TCEQ. We received returned mail addressed to you at your former Woodville office regarding the above-referenced matter (attached). You requested a public meeting in May 2022. Since this is still an active item, I was wondering if you wanted to remain on the mailing list for this permit or if you prefer to be removed? If you would like to remain on the mailing list, please respond with your current physical address. Please feel free to contact me directly if you have any questions or need additional information.

Thank you,

Mehgan Taack

RE: TCEQ Permit No. WQ0016056001; Two Creeks Crossing Resort, LLC

Dear Laurie,

On behalf of Southeast Texans, I am respectfully asking that the agency reconsider the denial of a public hearing in regards to the Two Creeks Crossing Resort project in Polk County. I understand that the decision was made due to minimal requests for a public hearing, however, I believe that this project is of enough impact to the community to warrant public input before the permit is approved.

My constituent, Elizabeth Grindstaff, and her family are one of many Southeast Texans who will be impacted should the Two Creeks project be approved. Her family has owned the land adjacent to the Two Creeks property for well over 100 years. It is imperative that not only her voice be heard but that of her family, friends, and any other invested stakeholders in our Polk county community.

It is important that we have transparency and allow for public discourse to be allowed though a formal hearing. I ask for your reconsideration. Please do not hesitate to contact me directly regarding this request at 281-658-0540.

For God & Texas!
