What the adopted action would do:

This action constitutes a determination by the Texas Commission on Environmental Quality, after opportunity for public review and comment, that the initial reasons for adopting the rules of this chapter continue to exist.

Applicable law:

The review of the rules is authorized under the requirements of Texas Government Code, §2001.039; and the General Appropriations Act, Article IX, §9-10.13, 76th Texas Legislature, 1999, which require state agencies to review and consider for re adoption each of their rules every four years.
