Docket No.: 2022-1734-MIS

Subject: Commission Approval for Adoption of Rules Review and Readoption of Rules
Chapter 329, Drilled or Mined Shafts
Rules Review of 30 TAC Chapter 329
Non-Rule Project No. 2023-047-329-WS

What the adopted action would do:

This action will approve the rules review of Chapter 329, and readopt the chapter.

This action constitutes a determination by the Texas Commission on Environmental Quality, after opportunity for public review and comment, that the initial reasons for adopting the rules of this chapter continue to exist.

Applicable law:

The review of the rules is authorized under the requirements of Texas Government Code, §2001.039; and the General Appropriations Act, Article IX, §9-10.13, 76th Texas Legislature, 1999, which require state agencies to review and consider for readoption each of their rules every four years.

Reason rules are needed:

Executive director's staff conducted a review of the rules in Chapter 329 and determined that the reasons for adopting these rules continue to exist. The rules in Chapter 329 were adopted in accordance with Texas Water Code, §28.030 to enable the commission to issue shaft permits where appropriate and to inform affected persons of permissible pre-application activities, permit application procedures, and operating and monitoring standards and requirements.

Rules found to be obsolete:

None.

Public comment:

A public hearing was not offered for this review. The comment period for the rules review closed on May 22, 2023. No comments were received.

Affected agency program(s):

The program area responsible for implementing these rules is the Underground Injection Control Permits Section of the Radioactive Materials Division.

Adopted Rule Reviews

Texas Education Agency

Title 19, Part 2

Texas Education Agency (TEA) adopts the review of 19 TAC Chapter 74, Curriculum Requirements, Subchapter AA, Commissioner's Rules on College Readiness, and Subchapter BB, Commissioner's Rules Concerning High School Graduation, pursuant to Texas Government Code, §2001.039. TEA proposed the review of Chapter 74, Subchapters AA and BB, in the October 8, 2021, issue of the *Texas Register* (46 TexReg 6953).

Relating to the review of Chapter 74, Subchapters AA and BB, TEA finds that the reasons for adopting Subchapters AA and BB, continue to exist and readopts the rules. TEA received no comments related to the review of Subchapters AA and BB. No changes to Subchapter AA are necessary as a result of the review. At a later date, TEA may propose changes to Subchapter BB to address financial aid application graduation requirements and individual graduation committees.

This concludes the review of Chapter 74.

The Texas Education Agency (TEA) adopts the review of 19 TAC Chapter 129, Student Attendance, Subchapter AA, Commissioner's Rules; and Subchapter BB, Commissioner's Rules Concerning Truancy, pursuant to Texas Government Code, §2001.039. TEA proposed the review of 19 TAC Chapter 129, Subchapters AA and BB, in the January 27, 2023, issue of the *Texas Register* (48 TexReg 418).

Relating to the review of 19 TAC Chapter 129, Subchapter AA, TEA finds that the reasons for adopting the rules continue to exist and readopts the rules. TEA received comments related to the review of Subchapter AA. Following is a summary of the comments received and the agency responses.

Comment: A school district administrator commented on the success of Independent School District Optional Flexible School Day Program (OFSDP) in the administrator's district and recommended that the ODSFP continue. t.

The Texas Commission on Environmental Quality (commission) has completed its Rule Review of 30 TAC Chapter 329, Drilled or Mined Shafts, as required by Texas Government Code, §2001.039. Texas Government Code, §2001.039, requires a state agency to review and consider for readoption, readoption with amendments, or repeal each of its rules every four years. The commission published its Notice of Intent to Review these rules in the April 21, 2023, issue of the *Texas Register* (48 TexReg 2142).

The review assessed whether the initial reasons for adopting the rules continue to exist and the commission has determined that those reasons exist. The rules in Chapter 329 were adopted in accordance with Texas Water Code, §28.030 to enable the commission to issue shaft permits where appropriate and to inform affected persons of permissible pre-application activities, permit application procedures, and operating and monitoring standards and requirements. The review identified some rules in Chapter 329 that could be amended to reflect agency name changes and cross-references to changed rules or statutes.

Public Comment

The public comment period closed on May 22, 2023. The commission did not receive comments on the rules review of this chapter.

As a result of the review the commission finds that the reasons for adopting the rules in 30 TAC Chapter 329 continue to exist and readopts these sections in accordance with the requirements of Texas Government Code, §2001.039. Changes to the rules

identified as part of this review process may be addressed in a separate rulemaking action, in accordance with the Texas Administrative Procedure Act.
