**RE: Docket Number 582-24-14115.TCEQ; Texas Commission on
Environmental Quality No. 2023-0574-IWD; *Application by
Lyondell Chemical Company for TPDES Permit
No. WQ0002927000***

Dear Parties:

The undersigned Administrative Law Judge filed the Proposal for Decision (PFD) in this matter on August 15, 2025. On September 4, the Executive Director (ED) for the Texas Commission on Environmental Quality (TCEQ) filed exceptions recommending a change to Finding of Fact 6. More specifically, the ED pointed out that the finding's dates the application was declared administratively and technically complete are incorrect. The ALJ agrees with the correction and amends Finding of Fact 6 to read as follows:

The TCEQ Executive Director (ED) declared the Application administratively complete on March 5, 2021. The ED completed the technical review of the Application on September 20, 2021, and prepared a draft permit (Draft Permit) and made it available for public review and comment.

Megan Johnson,

Presiding Administrative Law Judge
