**From:** Kim Nygren, Deputy Director

**Date:** August 18, 2023

**Subject:** Fiscal Year (FY) 2024 Proposed Assessment of Annual Costs of Operations for the South Texas Watermaster Program

The South Texas Watermaster fund is required by Texas Water Code (TWC) § 11.329 to pay the compensation and necessary expenses of the Watermaster and to pay expenditures for equipment, facilities, and capital expenditures necessary for Watermaster operations when recommended by the Watermaster Advisory Committee (WAC) and the Executive Director and approved by the Commission.

At this time, staff recommends and seeks Commission approval of an FY24 operational budget of \$836,621.86. Using this budget amount, the program calculates its assessment based on a 100% collection rate; therefore, the total assessment amount would be \$836,621.86 with a municipal rate of \$0.2324. This staff proposal represents an increase of \$0.0152 from the previous year's municipal rate of \$0.2172.
