### Executive Summary – Enforcement Matter – Case No. 64302 DCP Operating Company, LP RN107088759 Docket No. 2023-0906-AIR-E

**Order Type: Findings Agreed Order Findings Order Justification:** Three repeated enforcement actions (or two orders with nuisance violations) over the prior five year period for the same violation(s). Media: AIR **Small Business:** No Location(s) Where Violation(s) Occurred: James Lake Gas Plant, located five miles north of the intersection of Texas State Highway 302 and Farm-to-Market Road 866, Goldsmith, Ector County Type of Operation: Natural gas processing plant **Other Significant Matters:** Additional Pending Enforcement Actions: No Past-Due Penalties: No Other: N/A Interested Third-Parties: None Texas Register Publication Date: June 7, 2024 Comments Received: No

## **Penalty Information**

Total Penalty Assessed: \$13,625 Total Paid to General Revenue: \$13,625 Total Due to General Revenue: \$0 Payment Plan: N/A Compliance History Classifications: Person/CN - Satisfactory Site/RN - High Major Source: Yes Statutory Limit Adjustment: N/A Applicable Penalty Policy: January 2021

## Investigation Information

Complaint Date(s): N/A Complaint Information: N/A Date(s) of Investigation: January 2, 2023 through April 6, 2023 Date(s) of NOE(s): June 27, 2023

## Executive Summary – Enforcement Matter – Case No. 64302 DCP Operating Company, LP RN107088759 Docket No. 2023-0906-AIR-E

## Violation Information

1. Failed to submit an initial notification for a reportable emissions event no later than 24 hours after the discovery of an emissions event [30 TEX. ADMIN. CODE § 101.201(a)(1)(B) and TEX. HEALTH & SAFETY CODE § 382.085(b)].

2. Failed to prevent unauthorized emissions [30 TEX. ADMIN. CODE §§ 116.115(c), 116.615(2), and 122.143(4), Standard Permit Registration No. 116553, Air Quality Standard Permit for Oil and Gas Handling and Production Facilities, Special Conditions ("SC") No. (a)(4), Federal Operating Permit No. O4398/General Operating Permit No. 514, Site-wide Requirements Nos. (b)(2) and (b)(9)(E)(ii), and TEX. HEALTH & SAFETY CODE § 382.085(b)].

## Corrective Actions/Technical Requirements

## **Corrective Action(s) Completed:**

N/A

## **Technical Requirements:**

The Order will require the Respondent to:

a. Within 30 days, implement measures and/or procedures designed to ensure that the initial notifications for reportable emissions events are submitted in a timely manner; and

b. Within 45 days, submit written certification to demonstrate compliance with a.

## E. Written notices of violations (NOV) (CCEDS Inv. Track. No.):

A notice of violation represents a written allegation of a violation of a specific regulatory requirement from the commission to a regulated entity. A notice of violation is not a final enforcement action, nor proof that a violation has actually occurred.

## TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

§

55555

IN THE MATTER OF AN ENFORCEMENT ACTION CONCERNING DCP OPERATING COMPANY, LP RN107088759 BEFORE THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

#### AGREED ORDER DOCKET NO. 2023-0906-AIR-E

On \_\_\_\_\_\_\_, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding DCP Operating Company, LP (the "Respondent") under the authority of TEX. HEALTH & SAFETY CODE ch. 382 and TEX. WATER CODE ch. 7. The Executive Director of the TCEQ, through the Enforcement Division, and the Respondent presented this Order to the Commission.

The Respondent understands that it has certain procedural rights at certain points in the enforcement process, including the right to formal notice of violations, notice of an evidentiary hearing, the right to an evidentiary hearing, and a right to appeal. By entering into this Order, the Respondent agrees to waive all notice and procedural rights.

It is further understood and agreed that this Order represents the complete and fully-integrated agreement of the parties. The provisions of this Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Order unenforceable, the remaining provisions shall be valid and enforceable. The duties and responsibilities imposed by this Order are binding upon the Respondent.

The Commission makes the following Findings of Fact and Conclusions of Law:

## I. FINDINGS OF FACT

- 1. The Respondent owns and operates a natural gas processing plant located at five miles north of the intersection of Texas State Highway 302 and Farm-to-Market Road 866 near Goldsmith, Ector County, Texas (the "Plant"). The Plant consists or consisted of one or more sources as defined in TEX. HEALTH & SAFETY CODE § 382.003(12).
- 2. During a record review for the Plant conducted on January 2, 2023 through April 6, 2023, an investigator documented that:
  - a. The initial notification for Incident No. 392238 was due by December 19, 2022 at 4:58 a.m., but was not submitted until December 21, 2022 at 10:02 a.m.
  - b. The Respondent released 2,194.87 pounds ("lbs") of sulfur dioxide ("SO2"), 23.85 lbs of hydrogen sulfide ("H2S"), 5.3 lbs of carbon monoxide ("CO"), 0.7 lb of nitrogen oxides ("NOx"), and 0.5 lb of volatile organic compounds ("VOC") from the Acid Gas Flare, Emissions Point Number ("EPN") FL-2, and 996.57 lbs of SO2, 394.30 lbs of CO, 155.60 lbs of VOC, 197.5 lbs of NOx, and 10.8 lbs of H2S from the Emergency Flare, EPN FL-1, during an emissions event (Incident No. 392238) that occurred on December 18, 2022 and lasted four hours and 28 minutes. The

DCP Operating Company, LP DOCKET NO. 2023-0906-AIR-E Page 2

> emissions event occurred due to site glass in the knockout drum being plugged and preventing operation from draining high liquid levels in the acid gas flare knockout drum that triggered an emergency shutdown, resulting in flaring.

- 3. The Executive Director recognizes that the Respondent implemented the following corrective measures at the Plant:
  - a. On December 21, 2022, submitted the initial notification for Incident No. 392238; and
  - b. By February 1, 2023, conducted frequent blowdowns and cleanings of the sight glass in addition to daily inspections of the acid gas flare knockout vessel in order to prevent the recurrence of emissions events due to the same or similar causes as Incident No. 392238.

#### **II. CONCLUSIONS OF LAW**

- 1. As evidenced by Finding of Fact No. 1, the Respondent is subject to the jurisdiction of the TCEQ pursuant to TEX. HEALTH & SAFETY Code ch. 382 and the rules of the TCEQ.
- 2. As evidenced by Finding of Fact No.2.a, the Respondent failed to submit an initial notification for a reportable emissions event no later than 24 hours after the discovery of an emissions event, in violation of 30 Tex. ADMIN. CODE § 101.201(a)(1)(B) and Tex. HEALTH & SAFETY CODE § 382.085(b).
- 3. As evidenced by Finding of Fact No. 2.b, the Respondent failed to prevent unauthorized emissions, in violation of 30 Tex. ADMIN. CODE §§ 116.115(c), 116.615(2), and 122.143(4), Standard Permit Registration No. 116553, Air Quality Standard Permit for Oil and Gas Handling and Production Facilities, Special Conditions ("SC") No. (a)(4), Federal Operating Permit No. 04398/General Operating Permit No. 514, Site-wide Requirements Nos. (b)(2) and (b)(9)(E)(ii), and Tex. HEALTH & SAFETY CODE § 382.085(b).
- 4. Pursuant to TEX. WATER CODE § 7.051, the TCEQ has the authority to assess an administrative penalty against the Respondent for violations of state statutes within the TCEQ's jurisdiction, for violations of rules adopted under such statutes, or for violations of orders or permits issued under such statutes.
- 5. An administrative penalty in the amount of \$13,625 is justified by the facts recited in this Order, and considered in light of the factors set forth in TEX. WATER CODE § 7.053. The Respondent paid the \$13,625 penalty.

#### **III. ORDERING PROVISIONS**

NOW, THEREFORE, THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY ORDERS that:

1. The Respondent is assessed a penalty as set forth in Conclusion of Law No. 5 for violations of state statutes and rules of the TCEQ. The payment of this penalty and the Respondent's compliance with all the requirements set forth in this Order resolve only the matters set forth by this Order in this action. The Commission shall not be

DCP Operating Company, LP DOCKET NO. 2023-0906-AIR-E Page 3

constrained in any manner from requiring corrective actions or penalties for violations that are not raised here. Penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: DCP Operating Company, LP, Docket No. 2023-0906-AIR-E" to:

Financial Administration Division, Revenue Operations Section Attention: Cashier's Office, MC 214 Texas Commission on Environmental Quality P.O. Box 13088 Austin, Texas 78711-3088

- 2. The Respondent shall undertake the following technical requirements:
  - a. Within 30 days after the effective date of this Order, implement measures and/or procedures designed to ensure that the initial notifications for reportable emissions events are submitted in a timely manner.
  - Within 45 days after the effective date of this Order, submit written certification, and include detailed supporting documentation including photographs, receipts, and/or other records to demonstrate compliance with Ordering Provision No.
     2.a. The certification shall be signed by the Respondent and shall include the following certification language:

"I certify under penalty of law that I have personally examined and am familiar with the information submitted and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations."

The certification shall be submitted to:

Enforcement Division, MC 149A Texas Commission on Environmental Quality P.O. Box 13087 Austin, Texas 78711-3087

with a copy to:

Air Section Manager Midland Regional Office Texas Commission on Environmental Quality 9900 West IH-20, Suite 100 Midland, Texas 79706

3. All relief not expressly granted in this Order is denied.

DCP Operating Company, LP DOCKET NO. 2023-0906-AIR-E Page 4

- 4. The duties and provisions imposed by this Order shall apply to and be binding upon the Respondent. The Respondent is ordered to give notice of this Order to personnel who maintain day-to-day control over the Plant operations referenced in this Order.
- 5. The Executive Director may grant an extension of any deadline in this Order or in any plan, report, or other document submitted pursuant to this Order, upon a written and substantiated showing of good cause. All requests for extensions by the Respondent shall be made in writing to the Executive Director. Extensions are not effective until the Respondent receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director. Extension requests shall be sent to the Enforcement Division at the address listed above.
- 6. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that the Respondent has not complied with one or more of the terms in this Order.
- 7. This Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Order, whichever is later.
- 8. This Order, issued by the Commission, shall not be admissible against the Respondent in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
- 9. This Order may be executed in separate and multiple counterparts, which together shall constitute a single instrument. Any page of this Order may be copied, scanned, digitized, converted to electronic portable document format ("pdf"), or otherwise reproduced and may be transmitted by digital or electronic transmission, including but not limited to facsimile transmission and electronic mail. Any signature affixed to this Order shall constitute an original signature for all purposes and may be used, filed, substituted, or issued for any purpose for which an original signature could be used. The term "signature" shall include manual signatures and true and accurate reproductions of manual signatures created, executed, endorsed, adopted, or authorized by the person or persons to whom the signatures are attributable. Signatures may be copied or reproduced digitally, electronically, by photocopying, engraving, imprinting, lithographing, electronic mail, facsimile transmission, stamping, or any other means or process which the Executive Director deems acceptable. In this paragraph exclusively, the terms: electronic transmission, owner, person, writing, and written, shall have the meanings assigned to them under TEX. BUS. ORG. CODE § 1.002.
- 10. The effective date of this Order is the date it is signed by the Commission. A copy of this fully executed Order shall be provided to each of the parties.

For the Executive Director

I, the undersigned, have read and understand the attached Order. I am authorized to agree to the attached Order, and I do agree to the terms and conditions specified therein. I further acknowledge that the TCEQ, in accepting payment for the penalty amount, is materially relying on such representation.

I also understand that failure to comply with the Ordering Provisions, if any, in this Order and/or failure to timely pay the penalty amount, may result in:

- A negative impact on compliance history;
- Greater scrutiny of any permit applications submitted;
- Referral of this case to the OAG for contempt, injunctive relief, additional penalties, and/or attorney fees, or to a collection agency;
- Increased penalties in any future enforcement actions;
- · Automatic referral to the OAG of any future enforcement actions; and
- TCEQ seeking other relief as authorized by law.

In addition, any falsification of any compliance documents may result in criminal prosecution.
