Re: Lyondell Chemical Company Permit 83817

Dear Ms. Gharis:

It is my understanding that Lyondell Chemical Company has requested an amendment of Air Quality Permit Number 83817 for their facility located at 2502 Sheldon Road, Channelview, Texas, 77530. My office has received comments and concerns from constituents regarding their opposition to Lyondell Chemical Company's Permit request. As such, I am writing to oppose this permit amendment and respectfully request a public hearing be held on August 22, 2022 to allow my constituents the opportunity to ask questions and voice their concerns.

Given the community concerns, I ask that a public hearing be held before the adoption of any amending language to Lyondell Chemical Company's Air Quality Permit 83817. Thank you for your attention to this matter. If you need to reach me, please do not hesitate to contact my office at (713) 675-8596.

Kind regards,
