Re: Application For Creation Of Brahman Ranch Municipal Utility District Of  
Ellis County and Johnson County  
SOAH Docket No. 582-24-12113; TCEQ Docket No. 2023-1406-DIS

Honorable Administrative Law Judge Smith:

The Executive Director (ED) does not have any exceptions to file in response to the Proposal For Decision in the above-referenced case.

However, please note that the name for ED Staff Attorney Kayla Murray was misspelled in the Proposed Order's Finding of Fact (FOF) No.9. It should be *Murray* rather than *Murry*. The ED was also represented by Staff Attorney Allie Soileau, whose name was omitted in FOF No. 9.

Sincerely,

A handwritten signature in black ink that reads "Kayla Murray". The signature is written in a cursive, flowing style.

Kayla Murray  
Staff Attorney, TCEQ Environmental Law Division
