§ BEFORE THE
§
§ TEXAS COMMISSION ON
§
§ ENVIRONMENTAL QUALITY

AGREED ORDER DOCKET NO. 2024-0644-MLM-E

I. JURISDICTION AND STIPULATIONS

On _____, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding HAWKINS FAMILY PARTNERS, L.P. and Hawkins and Mayo, LLC (the "Respondents") under the authority of TEX. WATER CODE chs. 7 and 26. The Executive Director of the TCEQ, through the Enforcement Division, and the Respondents together stipulate that:

1. The Respondents own and operate a construction site located approximately 17.4 miles northwest of the intersection of State Highway 55 and United States Highway 83 along the Nueces River in Uvalde, Uvalde County, Texas (the "Site"). The Site is near or adjacent to water in the state as defined in TEX. WATER CODE § 26.001(5).
2. The Executive Director and the Respondents agree that the TCEQ has jurisdiction to enter this Order pursuant to TEX. WATER CODE §§ 7.002, 7.051, and 7.073, and that the Respondents are subject to TCEQ's jurisdiction. The TCEQ has jurisdiction in this matter pursuant to TEX. WATER CODE § 5.013 because it alleges violations of TEX. WATER CODE ch. 26 and the rules of the TCEQ.
3. The occurrence of any violation is in dispute and the entry of this Order shall not constitute an admission by the Respondents of any violation alleged in Section II ("Allegations"), nor of any statute or rule.
4. An administrative penalty in the amount of \$57,500 is assessed by the Commission in settlement of the violations alleged in Section II ("Allegations"). The Respondents paid \$46,000 of the penalty and \$11,500 is deferred contingent upon the Respondents' timely and satisfactory compliance with all the terms of this Order. The deferred amount shall be waived only upon full compliance with all the terms and conditions contained in this Order. If the Respondents fail to timely and satisfactorily comply with any of the terms or requirements contained in this Order, the Executive Director may demand payment of all or part of the deferred penalty amount.
5. The Executive Director and the Respondents agree on a settlement of the matters alleged in this enforcement action, subject to final approval in accordance with 30 TEX. ADMIN. CODE § 70.10(a). Any notice and procedures, which might otherwise be authorized or required in this action, are waived in the interest of a more timely resolution of the matter.

6. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that the Respondents have not complied with one or more of the terms or conditions in this Order.
7. This Order represents the complete and fully integrated agreement of the parties. The provisions of this Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Order unenforceable, the remaining provisions shall be valid and enforceable.
8. This Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Order, whichever is later.

II. ALLEGATIONS

During an investigation at the Site conducted on December 8, 2023, an investigator documented that the Respondents:

1. Failed to obtain approval of an Edwards Aquifer Protection Plan ("EAPP") prior to commencing regulated activity over the Edwards Aquifer Recharge Zone, in violation of 30 TEX. ADMIN. CODE § 213.4(a)(1). Specifically, approximately 28 acres of soil were disturbed at the Site prior to approval of a Water Pollution Abatement Plan ("WPAP").
2. Failed to obtain authorization to discharge stormwater associated with construction activities, in violation of 30 TEX. ADMIN. CODE § 281.25(a)(4) and 40 CODE OF FEDERAL REGULATIONS § 122.26(c). Specifically, the Respondents were performing construction activities prior to obtaining authorization under Texas Pollutant Discharge Elimination System ("TPDES") General Permit No. TXR150000.

III. DENIALS

The Respondents generally deny each allegation in Section II ("Allegations").

IV. ORDERING PROVISIONS

The payment of this penalty and the Respondents' compliance with all of the requirements set forth in this Order resolve only the allegations in Section II. The Commission shall not be constrained in any manner from requiring corrective action or penalties for violations which are not raised here. Penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: HAWKINS FAMILY PARTNERS, L.P. and Hawkins and Mayo, LLC, Docket No. 2024-0644-MLM-E" to:
