Dear Sirs.,
We have a 11 acre farm with home there since 2006. We have both retired and have planned to live our final days here. Now I learn that the Lund Rd. Across Hwy. 95N, is putting in a Lund Farm MUD. There are 8 homes on the left side of Roemer and 5 on the right side going to Red Town Road. There are homes across Red Town Rd. where Roemer Rd. Continues to end at Pleasant Grove Rd.

Ben Watson, chief of staff,
We live on Roemer Road and we have retired there.It has been brought to my attention that the Lund Mud Farm is going to be on Lund road. That is directly across Hwy, 95N.and continues on Roemer road.Please realize there are two churches , one at the beginning of Roemer and the other at the end of Roemer and Red Town Road.
There are 8 homes on the left side of Roemer, and on the left there is pasture and 4 homes. It is an established area we are proud of, please do not destroy our area. It has been our home farm since 2006, 18 years.
