Re: Corpus Christi Polymers LLC, Permit No. WQ0005019000

Director Baker,

I respectfully request a public meeting regarding Texas Pollutant Discharge Elimination Systems (TPDES) Permit No. WQ000501900 (EPA I.D. No. TX0134635).

It is important TCEQ acquires comments from the public regarding various issues; including: how Corpus Christ Polymers plant operations would affect nearby residents' daily lives, as well as what affect, if any, these operations will have on the environment. A public meeting would help ensure everyone is fully informed of the plant operations' status, the precautions being taken to protect neighbors, as well as how TCEQ is confirming proper stewardship of the environment.

Thank you for your time and consideration of this request.

Respectfully,

A handwritten signature in cursive script that reads "Abel Herrero".
